Security Council Votes Unanimously For Cease-Fire Order In Palestine

By PIERRE J. HUSS
(U. N. Staff Correspondent)

PARIS, Oct. 19.—The United Nations Security Council ordered a new immediate cease-fire in Palestine today after Arabs and Jews alike were branded guilty of truce violations.

The council voted unanimously, 11 to 0, for immediate halting of hostilities in the embattled southern Negev region.

The vote was taken on the insistence of Russia, Syria and Egypt that the gravity of the Negev situation required immediate energetic action.

Expect Acceptance

The council voted on the heels of an Egyptian announcement that it already had accepted a U. N. order to cease fire which the State of Israel rejected yesterday.

Authoritative Israeli circles indicated that the new cease-fire now will be accepted by the Jewish state without question.

Since the Egyptians already have said they will accept, it appears certain that the Negev fighting will be halted. Prospects appear good for a strong new truce and an invigorated U. N. grip on the Palestine situation through a truce supervision network.

All sides in Paris seem to feel that one of the worst crises in the Holy Land has been safely overcome by the decisive council action.

Both Sides Guilty

The statement that "both sides are guilty of violation" in the Holy Land was made by the council.

Russia Distributes New 'White Paper' Of Notes On Berlin Blockade

By JOSEPH L. RANFT
(U. N. Staff Correspondent)

PARIS, Oct. 19.—Russia distributed in United Nations circles today its version of notes exchanged in the Berlin dispute just prior to security council reconsideration of the blockade problem.

Members of the Soviet delegation handed out the booklet entitled "The Soviet Union and the Berlin Question" which apparently is a Russian white paper issued by the Moscow foreign office.

No comment was contained in the booklet which listed documents and memoranda exchanged with the western powers beginning Feb. 13 and through Oct. 3.

"Good Will" Assurances
Previously the Russians were reported to have given oral assurances of Soviet "good will" in efforts to settle the Berlin dispute while still seeking to play for time.

This development came amid indications that "neutral" members of the security council may submit a new compromise formula to solve the deadlock.

Reliable quarters said that the "good will" assurances were given orally yesterday by Soviet Deputy Foreign Minister Andrei Vishinsky to Argentine's Juan A. Bramuglia. Vishinsky did not offer any new olive branch to the western standpoint concerning Berlin.

Indications are, however, that the Kremlin evidently is extremely eager to keep the case going pending further developments.

It is understood that Vishinsky (Continued on Page Two)

County School Districts May Also Tax Wages

Recommendation Is Made At Meeting Of County School Board Monday Evening

Residents of the county may have a wage tax for school purposes, when and as if the city puts on its proposed wage tax, according to action by the county school board, at a meeting held Monday evening in the offices of County Superintendent of Schools, John C. ...

The board voted unanimously to take such action, and will call a meeting in the near future, when the recommendation will be submitted to the various school districts.

The board members have been investigating the matter for some time, since the proposal to tax wages in New Castle was determined. Members of the board state that most of the rural school districts have a hard time meeting the increased cost of operating the schools, and if they do not put on a wage tax, a considerable amount of money would be lost to them, which would otherwise go to the city.

The board investigated the setup (Continued on Page Two)

French Troops Take Over Seven Mines In Strike

PARIS, Oct. 19.—(INS)—Crack French troops seized seven strike-bound coal mines in central France today without incident.

In northern France, however, strikers barricaded many pits and defied the demands of authorities that maintenance workers be allowed to protect the mines from gas and water seepage.

Anticipating trouble, the government moved large contingents of troops and security guard forces into the Nord and Pas de Calais areas during the night.

While the northern mines were completely unprotected from flooding by the withdrawal of maintenance workers, the government made no move to requisition workers or move in by force. Troops were not yet openly patrolling the northern cities.

The seized mines were all in the St. Etienne region where troops earlier used tear gas to oust strikers from one mine. Several of the pits in the area were said to be filling with water.

Hoffman Leaves For Paris Parley

NEW YORK, Oct. 19.—(INS)—Paul G. Hoffman, economic cooperation administration chief, left today for Paris today to attend a special meeting of E.C.A. European mission chiefs.

The conference, which will be held in Paris on Wednesday and Thursday, was called by W. Averell Harriman, ambassador-at-large for the E.C.A.

Hoffman said the E.C.A. representatives will discuss the progress that has been made and the problems they expect to face in the future.

The E.C.A. administrator, who was accompanied on the trip by seven members of his staff, will return to the United States a week from Thursday.

Soviet Issues New Orders To Tighten Berlin Blockade

New Bars Erected To Halt Vehicular Traffic Into Western Sectors

SEEK TO AUGMENT RAIL BLOCKADE

By OMER ANDERSON
(U. N. Staff Correspondent)

BERLIN, Oct. 19.—The Soviets instituted new moves today to make life more miserable for western Berliners by tightening the blockade.

The Soviet ADN agency announced that effective Monday all vehicular traffic from the Soviet zone of occupation must enter Berlin through the Russian sector and will not be allowed to travel to the western sectors.

New Army Of Police
The announcement coincided with disclosure that a new army of peoples police is being established in Saxony-Anhalt to keep the Communists in power there.

The decision to make a further attempt to throttle the economic life of western Berlin was taken at a meeting of Soviet zone police chiefs at Potsdam. Present was Paul Markgraf, Soviet-sponsored Communist chief of police in the Russian zone.

ADN said that the Russians have adopted a plan to check all roads to the western sectors of Berlin both from the Soviet occupation zone and the Soviet sector of the former German capital.

Markgraf was quoted as claiming the air bridge of the western Allies would not be able to sustain Berlin without supplementary food and raw materials which he asserted had been smuggled in steadily from the Soviet zone.

He told the meeting that anti-Soviet sympathizers in the Soviet zone administration had aided blockade runners.

Markgraf also charged a spy ring in Saxony-Anhalt, where worker delegations were presented with arms to become members of the new peoples police.

Four Are Dead In Texas Blast

TEXAS CITY, Tex., Oct. 19.—(INS)—The death toll in the explosion which rocked Texas City last night rose to four today with the deaths of three of the injured.

Sixteen other persons were being treated today for burns and injuries.

The latest victims of the blast at the Stone refinery were Jack Flynn, Joseph, Mo., and Corneille Oliver and Sylvester Villarsol, both of Galveston.

Officials of the Texas City fire department theorized that a spark from an automobile engine apparently ignited a pocket of highly volatile gas which was blown from the refinery over a nearby highway.

Clarence Stewart, Negro taxicab driver, was killed almost instantly by the concussion and resultant flash fire.

New Castle Hospital Plans Anniversary

Plans for an observance of the 40th anniversary of the founding of the New Castle Hospital were discussed Monday night by the hospital board at a dinner meeting at The Castleton hotel. Fourteen members attended the session, with President Ivor Davis in charge.

One of the highlights of the observance, it was announced, will be a joint dinner meeting of the hospital board and the hospital medical staff November 9. Other events of the observance will be a parade, later, Mr. Davis said.

Markgraf, as a new member was Judge John A. Lamoree, a son of the late George Lamoree, who served for many years on the New Castle board, he is the third "second generation" member. Others are Vice President Preston Flaherty and Edward Flaherty, sons of the late P. J. Flaherty.

Governor Dewey Back In Albany For Brief Rest

ALBANY, N. Y., Oct. 19.—(INS)—Gov. Thomas E. Dewey rested in Albany today from a 10-state campaign swing, withdrawing a final decision on whether to add Detroit or any other center to the remainder of his presidential campaigning itinerary.

The governor's advisers are urging him to stick to present tentative plans, which eliminate Detroit as well as any visits to West Virginia, Tennessee, Maryland or North Carolina.

To Speak In New York
Dewey leaves tomorrow for New York where he has two speaking engagements which will keep him in Manhattan through Thursday night.

Wednesday night the GOP presidential candidate will speak on the New York Herald-Tribune forum. Thursday evening he will speak at the annual Alfred E. Smith memorial dinner.

Dewey leaves Albany Oct. 25 for Chicago, where the following day he will deliver a major campaign speech. Oct. 27, he speaks in Cleveland, followed by Boston Oct. 28 and New York's Madison Square Garden finale on Oct. 30. Enroute from Boston to New York, he probably will swing through Connecticut and Rhode Island with restaurant appearances.

Believe Scranton Fire Deliberately Set To Trap Family

SCRANTON, Pa., Oct. 19.—(INS)—The state fire marshal today joined an investigation of a fire which police said was a deliberate attempt to trap and burn a Scranton couple and their small child.

Police said Mr. and Mrs. Harry Larue and their 13-month-old baby were threatened by the blaze last night in the hallway leading to their apartment.

Larue extinguished the fire after battering down the door of the apartment according to police. A stick had been placed in the door lock on the door, preventing it from being opened.

Police said they discovered a can half filled with kerosene had been dumped in the hallway and the blaze had been started with papers. The hallway was the only means of escape, they added.

Manheim Thief Couldn't Wait

LANCASTER, Pa., Oct. 19.—(INS)—Eldon Retrow, owner of a department store at nearby Manheim, cut the price of shoes by giving a crisp one dollar bill to every customer purchasing a pair.

He publicized the plan with a display of shoes and 54 new dollar bills in the show window.

Last night a thief broke the window and fled with a handful of bills—29 of them, according to Retrow.

Terms Effort To Reach Agreement With Soviet On Berlin, As Illusion

(U. N. Staff Correspondent)
PARIS, Oct. 19.—A British statesman termed western power attempts to reach a comprehensive agreement with Russia on the Berlin dispute, an "illusion" today.

Sir Alexander Cadogan of Great Britain, appearing before the U. N. security council at its renewal of hearings on the blockade, said that Britain still is willing to enter four-power negotiations once it is lifted.

Met With Failure
He pointed out, however, that final attempts by the west to obtain a full solution met with failure.

Cadogan spoke bitterly of Soviet deputy foreign minister Andrei Vishinsky's claim that the blockade is a myth, adding:

"I have just received news of further measures to prevent any further food from reaching the western sectors of Berlin from the Soviet zone."

"Lorries carrying food have been stopped. Yet Vishinsky contends that no Soviet attempt to blockade Berlin has been made."

Cadogan said that new Soviet demands followed the last stage of the negotiations, adding:

"Presumably that is the measure (Continued on Page Two)

Name Director At Jameson Hospital

J. F. Friedheim, Assistant Director At Johns Hopkins Hospital Elected

At a meeting of the board of directors of the Jameson Memorial hospital held Monday evening at the hospital, J. F. Friedheim was elected director of the hospital to succeed C. R. Youngquist, who recently left to become a director of the Buhl hospital at Sharon.

He will take up his duties here on November 15. Roger W. Rowland, president of the board, stated today in announcing the decision of the board.

Mr. Friedheim, who is a graduate of the University of Michigan, took his course in hospital administrative work at the University of Minnesota and was associated with the St. Luke's hospital in New York.

Assistant of Johns Hopkins
He has been assistant to the director of Johns Hopkins hospital in Baltimore, one of the largest hospitals in the country, from whence he will come to take up his duties here.

He was selected from a large number of applicants, and the board feels that he is the man best fitted for the post here.

Mr. Friedheim is 40 years of age, single, and a member of the Episcopal church.

The committee named to secure a director was composed of John W. McIlwraith, Alex Crawford Hoyt, William F. Moody, Reuben J. Elliott and Clyde E. Smith.

Since the departure of former Administrator Youngquist, various members of the board have been looking after the duties of hospital director and will continue to do so until Mr. Friedheim arrives to take up his duties next month.

Legion Parade Day's Feature At Convention

By JOHN R. HENRY
(U. N. Staff Correspondent)
MIAMI, Fla., Oct. 19.—Delegates to the 30th annual American Legion convention got down to organizational business of the session in Miami today before lining up for their colorful parade.

Private committee meetings were scheduled for the morning and formal drafting of resolutions to be placed before the convention headed the agenda.

In the background of the convention, however, were political maneuvers among the followers of James F. Green of Omaha and S. Perry Brown of Beaumont, Tex., leading candidates for Legion national commander.

Parade At 4 P. M.
The annual Legion parade was scheduled to begin at 4 p. m. More than 30,000 delegates were expected to be in the eight-hour long line of march. The parade will move down Miami's palm-studded Biscayne boulevard and into Flagler street.

As the business session got underway this morning, the Legion delegates considered a series of warnings about war and rumors of war.

Li. Gen. Leslie R. Groves, retired, declared last night that Soviet Russia's possession of the atomic bomb would "impose a brand of peace that would destroy the world."

According to police, Mellon was dependent over the family of a girl friend after he took the girl to Ann Arbor last week and to witness the Northwestern-Michigan football clash.

A note signed by Mellon was found in the 10-year-old bedroom stating that "one-half hour after I write this I will die."

First Report In Chest Drive Made At Noon

Good Start Is Made In Campaign To Raise \$100,000 For Year's Services

THIRTEEN AGENCIES TO SHARE IN FUNDS (BULLETIN)

Approximately 34 per cent of the Community Chest total of \$100,000 was announced today at noon in the Castleton, at the first report meeting.

Solicitors for the campaign reported a total of \$37,064, with a number of divisions not reporting.

General Chairman Sidney L. Lockley presided at the meeting and asked Rev. Owen Shields of the Croton Methodist church to invoke a blessing upon the meal.

No Speeches
There were no speeches. Chairman Lockley asked for the team reports, they were made and shortly after, the meeting adjourned.

A feature of the meeting was the awarding of Chief Red Feather's headband to the team turning in the highest percentage of its total. Lauri Laurull, heading the Banks' team, reported \$9,925 which is 113 per cent of quota. Mr. Laurull left the hotel with a red headband on.

While the meal was in progress, Chief Red Feather himself walked into the room and announced that "the job is a real one for the tribe." It was Castle can't raise the money it's time to give the city back to us Indians.

President At Raleigh, N. C.

Tells Democratic Party Split Cannot Be Solved By Walking Out

By ROBERT G. NIXON
(U. N. Staff Correspondent)
RALEIGH, N. C., Oct. 19.—President Truman today told dissenting southern Democrats that the party split over civil rights cannot be solved by "walking out in a huff."

Mr. Truman's message to states' rights revolvers was contained in an address dedicating a monument to Presidents Jackson, Polk and Johnson who were born in the "state of Carolina."

The speech was one of two the president scheduled in Raleigh today in a bid to bring the rebellious Dixie vote back into the party fold.

The monument-dedicating address was billed as "non-political" and contained no direct reference to the party split.

Not Walking Out
But Mr. Truman referred to Jackson as a man who knew "that the way to correct injustice in a democracy is by reason and debate, never by walking out in a huff."

"To attempt to correct injustice by disunion is the only sure and enduring preservation, protection and defense of the constitution of the United States."

The president came to North Carolina last evening after a brief visit to Miami where he addressed the American Legion convention.

At 3 p. m. he will deliver a "political" talk which is expected to touch directly on the Democratic split in the south and review what the administration has done for the farm areas.

Sixteen-Year-Old Youth Dies From Bullet Wound

CLEVELAND, Oct. 19.—(INS)—The Cuyahoga county coroners office was expected to return a verdict today of suicide in the death of 16-year-old Hugh Mellon of Cleveland.

Police reported Mellon was killed instantly last night when he induced a 10-year-old friend to fire a .22 caliber rifle bullet into the older youth's head.

According to police, Mellon was dependent over the family of a girl friend after he took the girl to Ann Arbor last week and to witness the Northwestern-Michigan football clash.

A note signed by Mellon was found in the 10-year-old bedroom stating that "one-half hour after I write this I will die."

So you're doing well, that's great my friend, I'm glad you are in the dough, and I hope each day or at least each day, you can find old bankroll grove, and there are some folks who need help you can, from you and from all the rest, and now is the time you can share your luck with some old to Community Chest. There's always some one who needs a lift, something more than a pat on the back and here's where the chest does its job my friend, by taking care of the lack. But it only can work if we all pull, so let's put the chest through, and help the fellow who needs it a bit, the weather is nice too.

Thomas Accepts Coaching Post At Senior High

George "Gig" Thomas will be the head basketball coach for the New Castle senior high school. Mr. Thomas today accepted the post vacated by William P. Douglas several months ago, and will start basketball practice immediately.

Mr. Thomas has been an instructor in mechanical drawing in the senior high school for many years but is best known to the fans as an assistant coach of the football team. He has also been assistant track coach, a post which he will discontinue now.

He knows New Castle senior high school athletics well, has the confidence of the school board and the students' body and his choice as basketball coach seems to be a popular one.

Sell Seats At Door For Boys' Choir

Famous Columbus Boys' Choir To Open Metropolitan Season November 4

New Castle's concert season opens on November 4 with the Metropolitan Concert Guild presenting the famous Columbus Boys' choir.

The second number of the Metropolitan season will be the Minneapolis Symphony orchestra under the direction of Dimitri Mitropoulos and the third number will be Helen Traubel, Metropolitan soprano.

William G. Morgan, president of the Guild today announced that individual seats will be sold for the Columbus Boys' choir and that a school children's matinee will be held on the afternoon of November 4.

The membership list of the Guild is still open and subscriptions are being received every day. This year's attractions are of such unusually high quality that music lovers are taking advantage of the subscription rate rather than pay the individual admission price to each attraction.

TERMS EFFORT TO REACH AGREEMENT IS AN ILLUSION

(Continued from Page One)

of what one can expect of negotiations under pressure of a blockade.

Mistrust Of Russia
The British spoke of the western powers' deep mistrust of Russia since Moscow's failure to implement directives of August 30 from Moscow which seemed to provide a solution. He said:

"As long as restrictions remain, including a scheme outlined on August 30 (increased Russian control of traffic) it is feared that any scheme will meet the same fate if it had to be carried out under pressure of the blockade."

Cadogan submitted a supplementary memorandum at the request of council chairman Juan A. Bramuglia. It summarized in detail the restrictions imposed by the Soviets since January on communications and transportation between western Germany and the Soviet zone.

He stressed that the blockade is the only obstacle to a settlement and said he hoped the council would recognize it.

He urged that the council take into account the "paramount importance" of the fact that for the sake of world peace and U. N. prestige, negotiations take place "in an atmosphere free from threat or employment of force or duress."

did not indicate any intention to give a written reply to Bramuglia's earlier request to both Russia and the western powers that they clarify circumstances surrounding the Soviet blockade.

"Playing For Time?"
In this Vishinsky would adhere to Russia's announced policy of not participating in any United Nations discussion of the Berlin issue.

Hints among "Iron Curtain" sources in Paris, indicated that Moscow is playing for time on Berlin and awaiting the outcome of next month's elections in America.

The Soviets apparently are acting on the assumption that it would be wisest to make no decisive moves until it is known who is going to be the next President of the United States.

Bramuglia is conferring with four other non-permanent council members and China—the group composing the "neutrals"—during the day prior to the meeting on Berlin.

Girl Scout Leaders Continue Course

Duties Of Troop Committee' Discussed At Third In Training Series

Miss Irene Kirchner, of New Brighton, conducted the third in a series of training periods for Girl Scout leaders in the Y.W.C.A. Monday evening. A large number of leaders, assistant leaders and council members from Bessemer, Mt. Jackson, New Wilmington and this city were in attendance. The session opened with a review of songs and dances.

Discussion Period
Discussion centered upon the troop committee and how it is formed from the sponsoring group who should help the troop to get flags, uniforms and camperships.

Miss Kirchner gave the following resume of "Duties of a Troop Committee": 1. Troop committee strengthens the troop by standing back of the leader and sharing responsibilities with the girls. 2. Learns about jobs to be done and Girl Scout projects. 3. Finds meeting place and equipment. 4. Finds leaders. 5. Helps interest parents. 6. Provides or acts as substitute for leader when necessary. 7. Helps encourage leader to take training, and 8. Assists leader in attending special events.

Other duties are: 9. Encourage community service. 10. Knows troop budget and aids in earning money when necessary. 11. Helps leader with registration and record keeping. 12. Helps with all projects. 13. Plans for the continuity of troop from one year level to another. 14. Helps assure every girl some form of camp experience (camp, day camp, over night hikes and cook outs).

Joint Assembly
The group decided to have a joint meeting of the training class and the regular monthly assembly of leaders on Tuesday evening, October 28, at 7:30 o'clock in the Y.W.C.A. There will be no training class period Monday evening.

Good Will Groups Conference Held

Program Of Good Will Planned For City To Be Used Throughout Year

An executive meeting of the Good Will Conference of New Castle held recently was well represented by four groups in the city, Protestant, Catholic, Jewish and the Negro.

Dr. Frank Burton president was in charge of the meeting held in the school administration building. Much enthusiasm was shown to have a year round program of good will in the city.

Plans were made to have brotherhood movies and recordings used throughout the year for various discussions. These final plans will be made at the next session in December.

COUNTY SCHOOL DISTRICTS MAY ALSO TAX WAGES
(Continued from Page One)

In Hickory township, Mercer county, which immediately adjoins the city of Sharon, which has a wage tax, and found that this Mercer county district had raised approximately \$30,000 annually through a wage tax, which would otherwise have gone to the city of Sharon.

It was estimated that in the districts immediately adjoining the city of New Castle, around \$100,000 would be retained particularly by the school districts in Neshaunock, Shenango, Hickory, Taylor, Union, and North Beaver, which would otherwise go to New Castle.

The county board is composed of Harry Reed, of North Beaver township, president; George E. Lawrence, of Shenango township, secretary; P. M. Cox, of Volant, treasurer; W. H. Grinnen, of Wampum, and Russell McClelland, of Scott township.

CONCERT TOUR
MEYERSDALE, Pa. — John Charles Thomas, well-known opera and concert singer, recently participated in a program to help raise funds for the Meyersdale Community Hospital. Thomas, a native of Meyersdale, returned to his hometown with his mother who joined him in a mammoth parade and tour of the community.

GIRL SCOUTS
Brownie Troop 50
Brownies of troop 50 met with their leader, Mrs. William Walters, and assistant leader, Mrs. William Melver, Saturday, October 16, at the Arthur McGill school.

Leaving the school they hiked through a nearby woods where they saw many of nature's wonders. Each girl took back from the hike a leaf for her nature book and a long stick on which to toast marshmallows.

The group returned to the home of Mrs. Walters, 235 Hillcrest avenue, where they built a fire and had a cookout.

The troop's new member, Sally Melver, enjoyed the day and is sure she will like being a Brownie. Later some of the girls played the piano.

On Thursday, October 14, the troop met to finish a scrap book and started their halloween cut-outs. The girls also tried two new folk dances.

The meeting was closed by forming a tunnel and singing "Taps".

HOME MATTERS
At the present time, there are politicians going up and down the land telling what they have done, and what they will do, if elected to office.

Most of these promises are for the bigger things of the country, but they fail to say what they are going to do about the smaller things, which are very important.

There are conditions in this country on which there have been a great deal of stress put in the past, which we will admit has had a little attention paid to them, such as cleaner streams and better highways, but before we vote we should find out what is going to be done with MORGANZA, about which we have heard no promises, even though the fact has been brought to the proper authorities.

A little attention to some things at home, and not so much abroad, would be a good slogan at this election.

NEW BEDFORD GIRL WEDS WAMPUM MAN

At an informal, but impressive ceremony, Saturday afternoon, October 16, at 2:30 in the Hopewell Presbyterian church, New Bedford, Miss Donna Jean Eppinger, daughter of Mr. and Mrs. Carl Eppinger, of New Bedford, became the bride of Glenn W. Snyder, son of Mr. and Mrs. James H. Snyder, of Wampum. The couple exchanged vows before an altar decorated with lovely fall flowers, with Rev. Charles Underwood officiating at the double ring ceremony.

The bride, given in marriage by her father, was charming in a street length dress of electric blue with gray accessories. She wore a corsage of yellow roses and bronze mums.

Miss Midge Dicks, of Pulaski, as maid of honor, wore a gray street length dress with blue accessories and a corsage of pink roses.

Dale Eppinger, brother of the bride, served the groom as best man and Charles Newman, of Warren, O., cousin of the groom, was the usher.

Mrs. Frank Cover Jr. played appropriate nuptial selections, preceding and during the ceremony.

Immediately following the ceremony there was a reception for 50 guests in the church dining rooms. Aides were Mrs. Jane Eppinger, Mrs. Myrtle Eppinger, Mrs. Irene Eppinger and Mrs. Doris Michaels all of whom are aunts of the bride and all from New Bedford.

The newly weds left on a wedding trip through the eastern part of the state, by car, and upon their return will reside in Wampum.

Mrs. Snyder, a graduate of Union high school and New Castle Business College, is employed as a bookkeeper for Commercial Credit Co.

Mr. Snyder is a graduate of Wampum high school and after spending 20 months in the U. S. Army, is now employed at Medusa Cement Co.

JOYCE-HELBLEY

VOWS EXCHANGED

Miss Dorothy L. Joyce, daughter of Mr. and Mrs. Edward L. Joyce of 113 South Crawford avenue, and William Charles Helbley, son of Mr. and Mrs. William Helbley of 409 Northview avenue, were united in marriage at a double ring ceremony solemnized in St. Joseph's church Saturday morning, October 16, at 9 o'clock. Rev. Cornelius H. Becker officiated in the presence of an assemblage of friends and relatives.

The bride wore a light blue gabardine suit with a black hat and black accessories and a corsage of red roses. She was attended by Miss Betty Helbley, sister of the groom, who wore a dusty rose wool suit with black accessories and a corsage of yellow roses.

Leo Joyce, brother of the bride, served as best man.

Following the ceremony a dinner was served at 12:30 in the home of the bride's parents to the bridal party and the immediate families. Mrs. William Joyce and Miss Nellie Joyce, aunts of the bride, were aides.

In the afternoon there was an open house reception in the home of the bride's parents.

Mr. and Mrs. Helbley left by car on a trip to an undisclosed destination and upon their return will take up temporary residence with the bride's parents.

Both are graduates of New Castle high school. She has been employed at the Britton Dry Cleaning company and he is with the United Engineering & Foundry company.

High School Girls Have Play-Day At Shenango High

Girls Of Five County High Schools Take Part In Competition

Play day was held on October 14 at Shenango high school. All county schools were invited. Those attending included besides Shenango, Bessemer, Union, Mt. Jackson and Princeton. There were 12 girls on each team. The purpose of play day is not for intensified competition, but for a spirit of play for fun. On arrival the girls were given colored arm-bands, a total of six colors being used. This means two girls from each school had the same color, and each school was represented on every team. That way they had an opportunity to meet and play with girls from all schools represented.

The first hour was devoted to mass games, consisting of football, volleyball and dodge ball. Each game was played for 20-minute periods, the teams changed to a new game at the end of 20 minutes.

After this came the challenge period. The girls individually challenged any other girl from another team to perform some stunt or trick which she herself could do. If the challenge was not accepted, the girl would receive one point for her team. This challenge period lasted one-half hour.

Next came the relays between the teams, consisting of running relay, over and under relay and down and up relay.

When scores were totaled at the end, green team was to be the winner.

To make the play day one of complete friendliness and good spirit, they all joined hands in a circle and sang "Taps".

Prizes were awarded to the winning team. It is hoped to make play day an annual affair for the girls of the county.

THE FAMILY SCRAPBOOK

By Ernest G. Osborne

WHY NOT TRY THIS?

Food And Fingers
In our society, it is not a common practice to handle food with our fingers. There are some exceptions, of course—celery, lamb chops with frilly paper around the bone, radishes, fried chicken (with permission). But with very few other foods is the use of the fingers permissible. Whether this is a good idea or not is really beside the point. As far as young children are concerned, it would seem wise to give much more leeway. To use knives, forks and spoons is at first a difficult task and one that should be expected only gradually.

In introducing youngsters to solid food, it seems best not to cause rebellion against the new diet by insisting too rigorously on spoon-and-fork technique. There are a number of solid foods that can be picked up by hand with a minimum of mess. Among these are carrots, thin slices of beef, hard-boiled eggs, small pieces of meat and a variety of other "eatables" that children usually like.

As a first step toward introducing solid foods, then, try to serve those that can be picked up handily with the fingers. Mothers can come later.

Two On Shut-Off Liquor List In City Are Jailed

Although they've had their "tap shut off" by order of Police Chief Robert D. Hanna, Dewey and Clyde Rineman, Neshannock avenue, apparently "got their drinks" last night, and in police court today Mayor John F. Haven sentenced both upon conviction of drunkenness and disorderly conduct in South Jefferson street to pay a fine of \$25, or take 30 days in the county jail as an alternative.

According to a police report they didn't obtain their intoxicants in a licensed place or at the State Liquor store. A relative procured it and they partook of his refreshments, hence they bothered storekeepers, landed in jail and now are in the county jail, trying to raise money to pay their fines.

Generally speaking, saloon-keepers of the city have expressed satisfaction with the order of the chief of police in prohibiting the sale of intoxicants to 33 persons in New Castle.

Mrs. Suber Named To High Office

Mrs. Ida M. Suber, Bell avenue, was named first vice-president of the Service Star Legion, Inc., at the national convention of the organization which came to a close on Sunday at Wheeling, W. Va. Previously, Mrs. Suber was second national vice-president.

Due to the absence of the national president, Mrs. R. O. Shay, of St. Joseph, Mo., who is confined to her home with an eye affliction, Mrs. Suber presided over all sessions of the convention. She conducted business meetings of the five day meeting of the delegates.

Plans were laid for the next national to take place in October of 1949 in Des Moines, Iowa.

Attending from this city along with Mrs. Suber were: Mrs. Ethel Murphy, Garfield avenue; Mrs. Della Missey, Long avenue; Mrs. Edith Cline, Gilmore street; Mrs. Margaret Church, Bluff street; Mrs. Bertha Gifford, Bonzo street.

Slippery Rock U. P. Church To Observe Centennial Sunday

Plans Are Made For Special Program Commemorating Occasion October 24

A century old on September 15, the First United Presbyterian church of Slippery Rock Borough has set Sunday, October 24, as the date for commemorating its centennial.

Three special services marking the anniversary will be held, and two of the four living ex-pastors have accepted invitations to attend and each will speak at one of the programs.

For the morning service, the sermon will be delivered by the Rev. George A. Brown, retired pastor at East Liverpool, Ohio, who filled the local pulpit from 1908 to 1912. The afternoon service will feature a history of the congregation by Mrs. George P. Shremp, centennial committee chairman; reading of letters from former members by Joseph Frazier, and devotions led by Dr. S. C. Gamble. The Rev. Alex S. Fleming, present pastor of the Second U. P. church of Steubenville, Ohio, who served the local congregation from 1939 to 1943, will deliver the evening sermon.

The congregation was organized September 15, 1848 with 13 members in what was then known as "Centerville, Pa." The first church building, a brick structure, was erected on what are now lots to the rear of the local Methodist church. The present building was built in the year 1882. A total of fourteen ministers have served the church in its hundred years of existence.

Rule Connecticut Is Safest State

CHICAGO, Oct. 19.—(INS)—An 11-year-old girl from Connecticut secure in the knowledge that she is the "safest person in the U. S. A." today ruled over the 36th annual safety congress and exposition in Chicago.

She is Cornelia (Tippy) Ward of Sherman, Conn.

Tippy was chosen for the na-

tional honor of "Little Miss Safety" after statisticians of the National Safety Council probed the records of accidents on a country-wide basis.

The safest state was Connecticut, and that state's safest city was Sherman. The statisticians also reported that the safest age group was youngsters from five to 14 years of age, and that girls had fewer accidents than boys.

That narrowed the field to a few little girls in Sherman, and school officials made the final choice in selecting Miss Ward.

Class June '35 Planning Meeting

President James Dart of the No-Ca-Hi class of June, '35, has called a special meeting of all class members in the Y. M. C. A. meeting room for Wednesday, Oct. 27, at eight o'clock.

Plans will then get under way for an event to be held in the future, such as a party, get-together or other social function.

Neighbors Start Move To Give Aid To Jones Family

Children Left Orphan By Tragedy
in Cleveland Avenue Home
Sunday

Understanding neighbors in the Croton section of the city in the vicinity of Cleveland avenue have rallied to the cause of the bereft Jones family whose parents so tragically met death early Sunday morning, leaving seven orphan children at home with very little income.

Instead of starting a flower fund, residents of the neighborhood all day Monday took time out to collect money and food for the large family with the result that many items of groceries were delivered to the Jones home and a sizeable amount of cash was collected. The store of Floyd McConnell, at 608 Croton avenue was made headquarters for cash contributions and up until 5 p. m., Monday, \$35.00 had been turned into Mr. McConnell for use of the family.

Students at the Croton school where four members of the family attended, nobly gave \$24.00 to the Jones children in their effort to ease the burden that will largely rest upon the shoulders of the two older girls in the family, Edith and Delores.

Cash contributions are still being received at the McConnell grocery store and the residents of the district feel that perhaps others in the city would like to have a share in this humanitarian task which will give at least temporary aid to these boys and girls, the youngest of whom is six years of age, just entering school.

Anyone in the city or county may leave their contributions at the W. Floyd McConnell grocery store, 608 Croton avenue or if they are unable to call in person, they may mail their contribution there and it will be turned over to the Jones family.

Mystery Safe Is Seen In Creek

Report Safe Seen Several Hundred
Feet North Of Paper
Mill Bridge

Although Chief of Police Robert D. Hanna reports there are no stolen safes yet missing, there is one in the Neshannock creek, several hundred feet above the Paper Mill bridge.

It was discovered by Sanitary Police George Rigby while he was collecting bait for a fishing trip.

When found, the water was low and Rigby was able to examine the safe, the door of which was off. The safe was in a "pocket" west of the center of the creek.

However, when a News reporter and photographer visited the spot yesterday the safe was covered by water.

According to Rigby the safe would weigh about 250 pounds. It isn't probable the safe was washed downstream. Whether it was stolen years ago and cracked there remains an enigma.

Declares Community Chest Benefits About 80 Per Cent Of County

Campaign Chairman Sidney L. Lockley, of the Community Chest drive to raise \$100,000 for thirteen Red Feather agencies including USO, stated today that the local Community Chest embraces a population of about 80,000 in Lawrence county, or 80% of the total county, the balance of the county being served by the Ellwood City Community Chest fund.

Under the able leadership of Lewis C. Dayton, county representative for the Lawrence County Agricultural Extension Association, local community chairmen have been appointed to cover every township and community in this area. These chairmen have also enlisted the support of many of our suburban citizens in this campaign.

Community Chairmen
The Community chairmen are: Big Beaver township, Robert Jackson; Hickory township, A. T. Jennings; Hillside, Mrs. Elizabeth Miller; Mahoning township, Mrs. Asa Hoffmaster; Neshannock township, Mrs. Kenneth A. Cotton; North Beaver township, Howard Butler; Plain Grove township, John Neeley; Scott township, Mrs. Edward Johnson; Slippery Rock township, Mrs. Paul Adams; South New Castle Borough, Mrs. Carl Duckworth; Taylor township, James Vesella; Union township, Mrs. George Mattocks; Washington township, John B. Shaw; Wilmington township, M. E. Sampson.

Leaders are also being secured for the few remaining townships and communities, so that a complete coverage can be made.

Serves Wide Area
"The local Community Chest," said Mr. Dayton, "serves not only New Castle, but also the entire surrounding area. We depend on the Jameson Memorial and New Castle hospitals for our care in time of sickness, many of our rural children belong to the Boy and Girl Scout troops, others enjoy the facilities of the YMCA and YWCA. Whenever there is a need in the county, the Catholic Welfare Conference, City Rescue Mission, and Salvation Army are always ever-ready to serve. Many of our children have been cared for at the Margaret Henry Home. Another important reason this year for the full support of the Community Chest is the USO, which will bring cheer and a touch of home to the many hundreds of our county young men who will be in uniform within the next year to serve in our peacetime army."

"The need is great, and I feel confident," Mr. Dayton said, "that the citizens of our suburban and rural communities will rally and support these worthy Red Feather services."

SHOULD A WOMAN STAND WHEN INTRODUCED?

"My daughter is always calling me down because I stand when I am introduced. It has been a life-long habit with me and I feel sure I am correct. At any rate, I feel uncomfortable remaining seated while shaking hands. Am I wrong? Should I always remain seated when accepting an introduction?"

Answer: A hostess when greeting guests in her own home must always stand, whether the guests are men or women and whether she is meeting them for the first time or greeting them as old friends. For a hostess to remain seated would, indeed be discourteous.

When you are in any role, other than hostess, remain seated always when a man is introduced. Shake hands with him if you wish but do not stand up. A woman never stands in deference to a man, unless, of course, he is a great dignitary such as a reigning monarch, the President of the United States or a high ranking church official.

You may stand to meet another woman, especially if she is considerably older, but it is not necessary to stand to meet a woman of your own age or younger.

A woman guest should rise to meet or greet her hostess when the hostess comes into the room wherein she is seated.

A man, should, of course, rise when introduced to either another man or woman; both when he is introduced to either or when greeting someone he already knows.

So, you see your daughter is correct in trying to prevent you from rising when a man is introduced to you.

Present your problems to Miss Markel who will promptly send personal replies to questions from readers inclosing stamped, addressed envelopes.

Stay Of Execution In Contempt Case Refused By Court

(BULLETIN)

SOUTH BEND, Ind., Oct. 19.—(INS)—Federal Judge Luther W. Swygert on Monday refused an AFL-International Typographical Union plea for a stay of execution in his contempt of court finding.

He told Union Attorney Henry Kaiser that the ITU would have until Oct. 26 to show compliance with the court ruling.

Last week the judge found the union in contempt of court because of certain clauses in contracts it attempted to negotiate with publishers.

The action particularly was in reference to activities by Chicago composing room employees who have been on strike against the city's five dailies since last November.

Bagpipe Number For Concert At Cathedral Thursday

There will be a little touch of Scotch about the concert of the Clearfield Band in the Cathedral Thursday night, October 21.

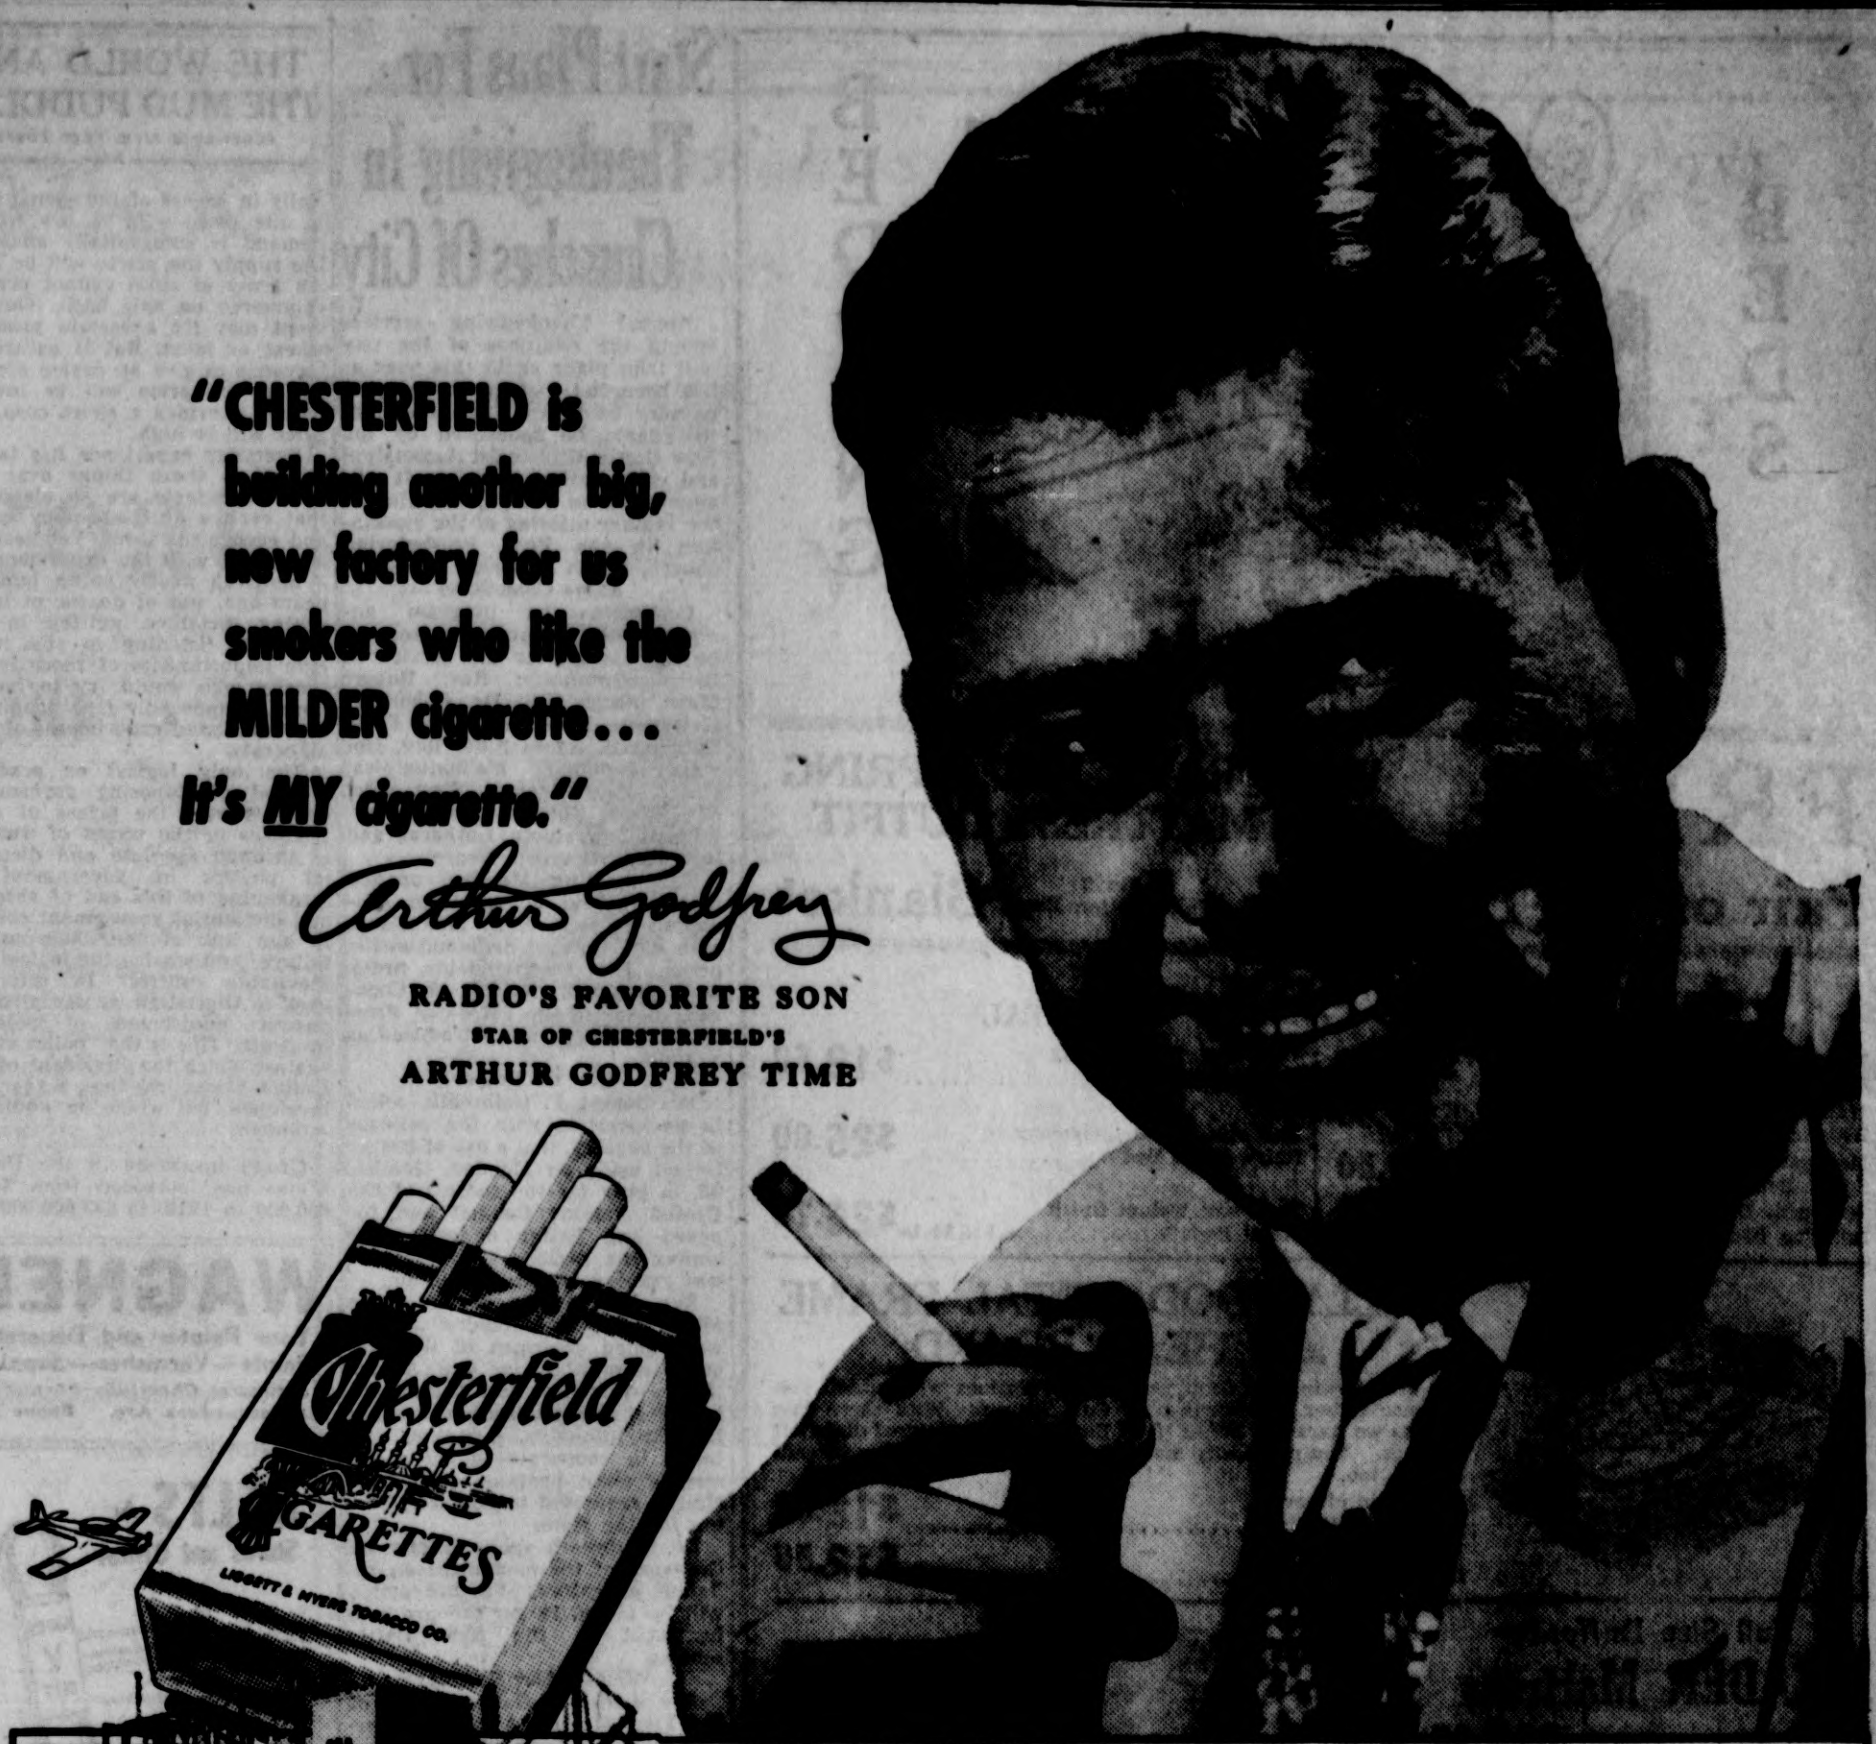

Worrell M. Jones of the Lions club announced today that as an added feature to the concert, William Patterson, a band member, would present some bagpipe numbers. His sister will be seen in a Scottish sword dance.

The Lions club is playing host to all the school bands of the county the night of the concert. The Margaret L. Henry Home children will also be guests.

Tickets for the concert are going rapidly, it is said, and a crowd is expected.

INDICT 64 IN RACKETS
PITTSBURGH, Oct. 19.—(INS)—The October grand jury reconvened in Pittsburgh today with

only two of 66 "rackets" cases remaining to be reviewed and a record of 64 indictments returned so far.

Twenty persons were added to the list of indicted in Monday's session, including Phil Lange, who was charged with attempts to bribe three detectives.

The jury's action resulted from the special panel which conducted

a nine-week investigation of racketeering in the Pittsburgh area.

subsidized the Arab Legion and enabled a condition to persist in Palestine that encourages internal warfare and the threat of outside extension so that its material interests, through the medium of Abdullah, would remain paramount. As against this, the Jews point

out that while much of the Negev is unknown and unexplored, its pioneers have made major efforts, at the hourly risk of their lives, to exploit the natural wealth of an area that for centuries the Arabs had allowed to lie barren. They take the viewpoint that the Arab states already are rich in oil. And they hold that if petroleum production can be made effective in the Negev, it is the Israelis who are entitled to its benefits.

The Egyptians and the other Arab states say no. This at least is not one of the obstacles that Argentina's Dr. Arce insists that the United Nations has created for itself. NEW CASTLE'S OLDEST CLEANERS

Start Plans For Thanksgiving In Churches Of City

Annual Thanksgiving services among the churches of the city will take place again this year as has been the custom for the past number of years. The meetings will again be sponsored by the New Castle Ministerial Association and co-operating churches, it was announced on Monday morning at the regular meeting of the association in the First Presbyterian church, North Jefferson street. Name Committees Committee on program announced the following pastors to be responsible for the service in their community: Rev. Robert Mayo, North Hill; Dr. Robert F. Galbreath, Downtown; Rev. F. P. Sulmonetti, South Side; Rev. Howard Redmond, Mahoningtown; Dr. J. Paul Graham, East Side; Rev. Owen Shields, Croton; Rev. Edward Leppaluoto, Lutheran and Rev. Henry Payden, Negro.

The meeting Monday opened with a period of devotions conducted by Rev. J. L. McFarland, with Rev. Howard Redmond at the piano. Rev. Owen Shields, president, presided. Rev. C. W. Cochran, pastor of the Princeton Presbyterian church was introduced as a guest. Day Of Prayer Dr. Robert F. Galbreath, asked in co-operation with the colleges of the country, that a day of prayer be set aside on Monday, October 25, to pray for the success of the United Nations Council and for peace and better understanding among the nations. The request was granted by the association. Rev. J. L. Petrie, pastor of the Mahoningtown Methodist church was named chairman of the program committee for the Aunira Home, while Rev. Earl Collins will handle the hospitalization program for the ministers. Action was taken to cooperate in the Community chest program with each church requested to take an offering for the fund. Dr. Galbreath spoke briefly on the work of the committee on religious education. Further action will be taken, to get the program instituted in the New Castle schools.

Rev. Gaiser Speaks Rev. James A. Gaiser, pastor of the First Methodist church, alternate delegate to the World Council of Churches meeting which took place late this summer in Amsterdam, Holland, spoke at length on the council and the work that it accomplished during the sessions. He felt that the meeting of the council and the cooperation among the churches was a real answer to prayer. He described many of the detailed workings of the council and the unity that existed there as the world church business was transacted. It was the hope that at some future time, a unified church could be organized with all Christians over the world seeing eye to eye. Announcement was made during the meeting, that Rev. J. Calvin Rose, pastor of Second U. P. church, would relate this experience at a meeting of the association in the near future.

S.S. Executive Committee Meets

Officers of the Lawrence County Sabbath School association met Monday evening in the Highland U. P. church, with L. Butler Hennon, county president, in charge. Discussion in the meeting centered around a get-acquainted meeting that will take place at the next session of the officers of the county and various districts in November. It is planned to have a dinner meeting and have an outstanding speaker who is interested in the work of the Bible school. Reports from district presidents and from the state convention were heard. Plans are being made for a New Castle district convention. Concerted efforts are going to be made to enable the county officers to have a large capital with which to institute various projects. It is anticipated that non-contributing Sunday schools will rally to the cause and pay their annual assessments of 10 cents per member.

THE WORLD AND THE MUD PUDDLES
(Continued from Page Four)

Hally in excess of the demand for it, the price will be low; if the demand is substantially ahead of the supply the prices will be high. An army of spies cannot prevent commerce on this basis. Government may fix a certain price on wheat or meat. But if nature intervenes to give an excess crop of either, the price will be low; if nature provides a short crop, the price will be high. Everyday experience has taught all of us these things over and over. The facts are so elemental that even a dull schoolboy knows and recognizes them. Yet here we are today, with the experiences of a monarch nearly seven hundred years ago, and of dozens of intervening dictators, written in our histories, listening to the imbecile importunities of those in authority who would try to impose upon a supposedly free people all the repudiated experiments of past autocrats. The only logical or practical method of imposing government controls over the prices of commodities or the wages of workers is through absolute and dictatorial powers of government; a weakening of this end of absolute and dictatorial government control in one link of the chain means failure. And what is the logical and inevitable control? In referring back to Diocletian we can give the answer: punishment of violators by death. This is the "police state" against which the President of the United States less than a year ago inveighed, but which he would not establish.

Apollo Club Plans Its Annual Reunion

Former Glee Club Singers To Gather At Sylvan Heights October 30

Members of the Apollo Club, a male glee club which flourished here between 1912 and 1928 will meet for their annual reunion dinner Saturday night, October 30.

The reunion will be held in the Sylvan Heights Club House and will start at 6:30 o'clock. G. Wilfred Thomas, president of the group announced today that William McCombs is the chairman of program and has arranged a program in keeping with the Apollo Club tradition.

Members and their families from Pittsburgh, Aliquippa, Youngstown, Warren and Akron, O., are expected to be present.

Wallace Speaks In Pittsburgh

PITTSBURGH, Oct. 19.—(INS)—Presidential Candidate Henry A. Wallace was to move on from Pittsburgh to Reading today to continue his progressive party campaign.

The former vice president concluded a busy day in Pittsburgh Monday with a nation-wide broadcast and a speech at a rally at the Duquesne Gardens.

Several eggs thrown at the platform during the speech Monday night did not hit the candidate, although one splattered on his shoes and the manuscript of his address.

Wallace's reaction was a laughing: "This feels familiar, folks." Some 4,000 persons heard Wallace attack the Taft-Hartley act and charge that President Truman and Wall street are responsible jointly for the current world crisis.

Community Chest

Question No. 6

How much should I give?

This is a very important question and one that spells the success or failure of the Community Chest campaign this year, according to Ray G. Carruthers, chairman of the industrial division.

The needs this year are greater, the situation is exactly the same for the 13 Red Feather services as it is in a household or business. Last year's budget, stretch it though we may, simply cannot meet today's needs. Health and welfare services are subject to the same economic influences that affect us all—the rising costs of commodities, equipment and services; the increases in wages. Social agencies, like other businesses, must pay rent, heat, utilities and other normal operating expenses. Institutions must provide meals, bed clothing and all the other equipment an institution requires.

Some agencies must buy clothing, medicine and other necessities for the people they serve. All of these costs this year are up sharply over last year. So long as costs continue to rise, we will have to pay more for the essential welfare services which the community needs.

When you are asked to decide upon the amount of your contribution to the Community Chest this year, we know that you will give serious consideration to the fact that costs have increased in some cases more than 100 per cent than it did before the war and they are now 10 per cent higher than last year. "Another fact we must keep

in mind," Mr. Carruthers said, "is that this year the USO, which served so well during the war years, is again being re-established and will look after our boys of the peacetime army wherever they may be. This means an additional \$3,000 to our local needs besides the increased needs of our other 12 local agencies."

"How much should I give?" is a matter for our own individual conscience. Remembering, of course, that there are 13 agencies including USO, and that your contribution should be as large as the total amount that you would give if you were solicited 13 different times. These Red Feather services are at work 12 months a year and our contributions should be enough to support them the year around; and by pledging on a monthly or quarterly basis, everyone can give what they really like to give, because there is time enough to give enough.

Marshall Expresses Hope For Prolonged Peace; Visits Rome

By MICHAEL CHINIGO (U. S. Staff Correspondent)

ROME, Oct. 19.—U. S. Secretary of State Marshall expressed his hopes for "prolonged peace" when he arrived in Rome from Athens Monday.

Marshall defined Italian rehabilitation as part of this program. He added:

"I have come to look, to see for myself and to ask questions about the over-all Italian position." Marshall said that he is aware of the "tremendous efforts" made in Italy during the last year. He said:

"It is a well-started effort." The secretary praised the contributions made by U. S. diplomats, correspondents and citizens in Italy. He said he planned to visit President Einaudi and Premier Alcide De Gasperi.

Foreign minister Count Carlo Sforza met Marshall at the airport. Sforza said that the visit must be considered as part of establishing a "fortification of peace."

Secretary Marshall will be received by Pope Pius tomorrow and then will drive to Anzio to visit the grave of Mrs. Marshall's son, who was killed in the beachhead operations.

The Roman catacombs wind for 867 miles under the Italian city, and contain more than 6,000,000 tombs. They were the first church and cemetery of the early Christians.

Beaver Valley Youth Have Fall Assembly

Afternoon and Evening Sessions In Mt. Jackson U. P. Church

"Go Ye" was the theme of the young people's convention which took place Saturday in Mt. Jackson U. P. church, where members of the various societies of Beaver Valley Presbytery assembled. Sessions were conducted in the afternoon and evening with a picnic supper being enjoyed at 5:30 o'clock. The assembly was one of the best conventions held by Beaver Valley youth.

Afternoon Program

Rev. James G. Manor, Akron, O., gave an excellent talk, when he stressed the importance of careers. Rev. Manor pointed out that young people should follow God's will in choosing their vocations and not their own wishes.

"The Love of God" was offered by a quartette composed of Mrs.

James Van Gorder, Miss Dorothy Craig, Rev. McCreight and James Van Gorder, of the executive committee of Beaver Valley Presbytery. Rev. McCreight served as song leader for the convention, while Miss Margaret Jane Wilson was accompanist.

Miss Peggy Baird, Beaver Falls, presided in the afternoon, while greetings were given by Wayne Emery, president of Mt. Jackson Y.P.C.U.

After a period of recreation, conducted by a group of caravan-

ers from Westminster college, the evening session opened at 7:30 o'clock.

Evening Assembly

Miss Freda Holt, Four Mile society, presided in the evening, when Rev. McCreight sang "How Lovely Are Thy Dwellings". Two selections were also offered by the junior choir of the host church.

Jack Lorimer, Pittsburgh, told of missionary work in Egypt, while Mrs. Lorimer and Miss Sally McKee, of Second church, this city, showed slides of activities of

the three-year period they spent in that country. Miss McKee served as secretary to Dr. Neal McClanahan, who at that time was president of Assiut college. Dr. McClanahan is supported by the youth of Beaver Valley Presbytery.

Miss Dorothy Craig, counselor of District No. 1, presented attendance awards to the Pioneer society of Ellwood City and the Builders' group of New Bethlehem.

Speech Juniors Go To Bat For Community Chest

'Play Ball' Teams Of Four High School Students Visit Schools Of City

Twenty-six senior high school juniors, all beginning speech students of Miss Mildred Burleson's, "took to the stump" for the Community Chest drive in teams of four on two days last week. The teams appeared in all schools in the city except Croton, which has no auditorium.

One member of each team, as manager, gave an overall picture of the Community Chest set-up and introduced the other three speakers as "basemen," who gave more detailed information about the various participating agencies. Then the manager of each team summarized.

"Play Ball" with the Community Chest teams who visited the elementary grades were composed of the following:

Speech Pupils: Gwendolyn Abraham, Paula Allison, Rose Anselmo, Pat Barnes, Barbara Cameron, Delores Ezza, Sylvia Fair, Nancy Hagerly, Joan Kelch, Bill Boyd, Jim Brown, Jim Maxwell, Allan Warnath, Bob Wynn, Jim Smith, and Pete Szekso.

Those visiting Mahoningtown, Ben Franklin, Geo. Washington, and senior high were: Carolyn Dalglis, Karole Davies, Katherine Marcella, Theresa Sparano, Louie Forconi, Leroy Juliano, Charles Mancine, and Peter Mancino.

'Bump-Less' Freight Handling Stressed

B. & O. Employees Instructed In Improvement Of Service To Patrons

"Bump-less" handling of freight cars is the object of an educational program, which is being conducted by the Baltimore and Ohio Railroad, in an effort to improve the freight service of the company, J. E. Shaughnessy, terminal trainmaster here stated today.

Trainmen at the New Castle Terminal are attending the showing of a special instruction film, entitled, "Easy does it," which is designed to show how cars should be handled in order to eliminate severe bumps in switching and coupling railroad cars, thus eliminating damage to freight while in transit on the B. & O. system.

A special passenger coach, which has been refitted to serve as a classroom, is visiting the terminal here at the present time. Two showings of the picture took place Monday afternoon and evening for the men on the different tracks, and two more showings were held today, before the car left for another point on the system.

The railroad recently completed another program for freight handlers and delivery truck drivers throughout the B. & O. system, designed to teach them care in the loading and unloading of less-carload freight.

At the peak of the dry season of the 1930s the Dust Bowl covered 16,000,000 acres of land in the United States.

Chas. C. Brandon Aids Development Of New Castle

The true value of a citizen is not gauged by his personal success but rather by the manner in which he shares that success by his contributions to the community in which he lives. A city grows and flourishes according to the number of public-spirited men and women who compose its population.

Mr. Charles C. Brandon of the Jefferson Cleaners, is a progressive business man who has given much towards the development of New Castle. He has turned his personal success in the business field to the advantage of the people as a whole and has accomplished much toward making his city a better place in which to live.

Mr. Brandon's thorough knowledge of every phase of the dry cleaning business has raised him to a position of leadership in his field of activities and gained for him recognition as one of the city's more progressive business men.

Mr. Brandon had a big part in organizing the New Castle Voters League which took place Sunday, October 17, at the Second Baptist Church with 250 members present. The following officers were elected: chairman, Charles C. Brandon; secretary, Doris Ward; assistant chairman, Bennie M. Richardson and treasurer, Nannie Mann.

The chairman committee is as follows: Rev. J. L. McFarland, Wendell Hallman, Rev. C. L. Alexander, William Weeks, Mollie Palmer, Julia Wilson and Percy Jones.

SOME ADVANTAGES OF NEW WALL COVERINGS

Cleaning walls will be easier for homemakers now that new wall products are on the market. The new washable paper-like products are not likely to tear or crack as easily as regular wallpapers. Because the new wall coverings are tougher, they are easier for amateur paper-hangers to hang. The effect of many textures can be applied to these papers. Some are made especially for remodeling jobs to re-inforce weak plaster and camouflage uneven spots or small cracks.

The new coated fabrics are nearest to wallpaper in appearance. Under the trade names Walltex, Sanitas, Fabron, and oil cloth, these fabrics appeared on the market shortly before World War II and are now available again, but in greater variety of colors and designs.

Closely resembling leather, is another type of non-paper wall covering made of vinyl plastic sheeting developed recently. These wall coverings vary in weight and thickness, but all are heavier than either wallpaper or coated fabrics. Flexible enough to be used over curved surfaces or bent sharply at corners, these wall coverings are easily cleaned and are resistant to scratches and scuffing. Most of them appearing in home decoration departments of stores are in plain color or block effect. However, a few manufacturers are showing two-tone effects and designs.

CHARGES ARE DENIED

WASHINGTON, Oct. 19.—(INS)—The U. S. air force today denied charges by a Polish delegate to the United Nations that American authorities planned in 1946 to drop an atomic bomb on Yugoslavia.

The state department refused to comment on the charge leveled by Dr. Julius Katz-Suchy, Polish representative on the U. N. political committee, during debate in Paris. Katz-Suchy charged that "only the intervention of the then secretary of state (James F. Byrnes) stopped" U. S. military men from A-bombing Yugoslavia.

Police Officers Wage Campaign On Vandalism

Owing to plainclothes police having been placed in different districts throughout the city last night there were no complaints of vandalism. The operatives patrolled on foot and also rode in police cars, and their own automobiles in an attempt to cut down damage.

"Parents should warn their children before they leave the house at night against committing any act of vandalism, because, after all, a parent is responsible for his offspring's actions up to a certain age. I propose to impose fines upon anyone who causes damage," Mayor John F. Haven stated.

The mayor also intimated that the boys who have been suspected of having caused damage on the North Hill have been "spotted" and are being watched. Yesterday, the mayor stated that there was more damage on the North Hill than in any other section of the city.

Receive Word Of Sudden Death Of Robert Myron Howe

Stricken with a heart attack aboard a U. S. transport en route from Japan to Seattle, Robert Myron Howe, a former New Castle man, died October 12, it was learned today.

Just eleven days before, on October 1, his wife died suddenly in Seattle. Arrangements are being made to have the body of Mr. Howe returned to New Castle for interment.

Mr. Howe was the son of the late Robert C. Howe, founder of the New Castle Grocery Company. He is survived by his son, Robert C. Howe of 1207 Albert street, and a brother, William B. Howe of 414 Winter avenue.

According to information received here today, Mr. Howe was aboard the U. S. Transport "L. Leroy Bling" en route to Seattle. Apparently he had been in excellent health prior to the heart attack.

Parking Meters State Receipts At All-Time High

STATE COLLEGE, Pa., Oct. 19.—(INS)—Revenue from parking meters in Pennsylvania reached an all-time high in 1947 when \$8,730,365 was collected in 194 metered communities, it was reported today by the institute of local government at the Pennsylvania State College.

Receipts for 1947 were 48 per cent higher than those for 1946 and more than double the 1945 figure, according to Charles F. Leedecker, assistant executive secretary of the institute.

Leedecker also reported that Pennsylvania, with more than 90,000 parking meters, leads the nation in the number of meters. He said that Pennsylvania has more than twice as many metered municipalities as any other state. California comes next.

Meters were reported most popular in cities ranging from 50,000 to 100,000 in population, with all but one of the Pennsylvania cities in this category having meters. Ten of 12 communities between 25,000 and 50,000 also are metered.

Metered municipalities range from Pittsburgh with 1,457 meters to Point Marion with only 40 meters. Receipts per meter vary from \$128.85 in York to \$5.72 in Carbondale.

Secretary Marshall In Private Audience With Pope Pius

ROME, Oct. 19.—(INS)—Pope Pius received Secretary of State Marshall for a half-hour private audience today.

The Vatican newspaper, Osservatore Romano, was instructed to say that questions concerning the welfare of mankind and the cause of peace were discussed.

Marshall was introduced by Franklin Gowen of Philadelphia, assistant to Myron Taylor, special American envoy to the Vatican. Great deference was shown Marshall by the papal entourage at Castel Gondolfo, summer residence of the pope, where the meeting took place.

The pope greeted Marshall with the statement, "I am really happy to see you."

After the final audience, at which Mrs. Marshall was present, Gowen asked the pontiff whether he would grant permission for a photograph with Marshall.

The pope himself came to the door and smilingly beckoned Marshall and his wife to return and pose for the picture.

Marshall, his wife, and United States ambassador to Italy, James C. Dunn, visited the grounds of the Papal Villa and were lengthily applauded when Marshall was recognized.

Giveaway Programs On Radio May Be Silenced In Future

WASHINGTON, Oct. 19.—(INS)—The Federal Communications Commission opens a hearing today which may silence "Mr. Hush" contests and similar giveaway radio programs.

Radio and advertising officials will testify before the FCC on a proposed ruling which would declare the prize contests "lotteries" to be banned from the airwaves.

Spokesmen for three major networks—NBC, CBS and ABC—and the National Association of Broadcasters will be the key witnesses at the FCC session.

The proposed FCC rule would hold that the devices now employed by the giveaway program violate the 1934 communications act prohibition on lotteries.

POSTMASTER HANNA SHOWS IMPROVEMENT

Postmaster William R. Hanna, who has been undergoing treatment in the Jameson Memorial hospital for the past week, is considerably improved, and should be able to leave the hospital shortly, it is stated. It had been feared that he might have to undergo an operation, but he has responded nicely to treatment, and will most likely be spared this ordeal, it is said.

TEN INJURED

EVANSVILLE, Ind., Oct. 19.—(INS)—Ten workers were injured, three critically, in an explosion at the No. 1 plant of the Seeger Refrigeration company in Evansville today.

It is announced by Mrs. Betty Gibson, chorister, there will be no rehearsal of Mahoning Methodist choir this week.

Truman's Budget Will Be Shelved If Dewey's Elected

WASHINGTON, Oct. 19.—(INS)—President Truman's new budget probably will be given the "cold shoulder" by Republican leaders if Gov. Thomas E. Dewey is elected.

Capitol Hill sources reported today that GOP leaders probably will not act upon the budget which the president now is drawing up for submission to congress.

They say that a final decision will be made after the November 2 election.

An unprecedented situation will arise in the event of a change in administrations as the president is required by law to submit the budget to congress when it convenes January 3. However, in the event of Dewey's election, a new president would take over January 20.

Harvesting 7,000 Bushels Of Apples From Large Orchard Near Enon Valley

Raising apples on a big scale is the job of A. F. Arnold, R.D. 1, Enon Valley, who expects to harvest about 7,000 bushels of the fruit from his 34 acre orchard by the end of this week. Twenty nine acres of the orchard is planted in bearing trees while the five remaining acres are non-bearing or replacement of older trees as they have to be removed or die out.

Apple growing, done scientifically as is done on the Arnold farm is practically a year 'round occupation there and not just a job that consumes three or four weeks out of the year, as some would suppose. Pruning of the trees starts as early as January and February and spraying is done while the trees are still dormant to combat scale and aphids (plant lice).

Lots of Work
Mr. Arnold and his son, Richard, who alone care for the large orchard, work among the fruit trees from early morning until late in the evening many times in their quest to produce the finest apples that can be raised in Lawrence county. One advantage, it was learned, why the Arnold orchard is so productive while others are less prolific is the fact that it is on a slope, the area is well drained and the air can get at the trees better.

After the growing season gets well under way, the 950 trees in the orchard are covered with some 7,500 to 8,000 gallons of spray taking approximately two days to apply with a power take off sprayer. The tank contains 500 gallons of material and sprays about 35 gallons per minute. One man sprays under the trees while the second sprays the tops and other external branches. In an average year, it takes approximately seven to ten sprays using the same amount of spray.

Amish Aid In Harvest
Picking season generally gets under way about the second week in October depending on how far along the apples are. The first week, seven to eight men are used in picking and more are added as the period progresses and the need arises. Most of the help in the apple harvest comes from the Amish who reside in the area. Others assist in the picking process. The pickers average approximately 60 bushels a day, while

some have picked as high as 100 bushels in a ten hour period. The men pick the fruit in half bushel sacks and when these are filled climb down from their ladders to empty the sacks. The men get paid by the bushel.

Wide Variety
The orchard produces a wide variety of the apples including: Roman Beauty, Staygreen, McIntosh, Red Delicious, Golden Delicious, Grimes Golden, Courtland, Northern Spy and Jonathan. The market in which the apples are sold include: Cleveland, Cincinnati and Pittsburgh, while many hundred bushels are sold by individuals coming out and purchasing them from the farm.

A large storage barn has been erected and is able to store 6,000 bushels at a time. The apples are all sorted, graded and polished before they are sold. A new grading machine recently purchased grades from fifty to seventy bushel per hour. Five men operate the machine.

The crop this year according to Mr. Arnold is just about average, because in 1945, 9,000 bushels were harvested, while in 1947, there were 6,000 bushels gleaned. Plain hard work and scientific growing is the only explanation for the excellent crop of apples at the Arnold orchard.

Girl Scouts Have Display For Chest

Girl Scouts, a red feather agency, has arranged a window display in the Haney store on the public square. Articles, representing nature study, arts, crafts, literature and dramatics, various phases of scouting, are shown in the display, planned by Mrs. N. J. McCluskey and her program committee.

A complete layette and a child's complete outfit are among the items. A part of the National Girl Scout project this year is to have each troop contribute a complete outfit for a child or baby. This has already been done in the New Castle district. Tepee, crane and hunter's fires are shown in miniature. Tin can and charcoal stoves as well as other articles may be seen in the display.

College Presidents Seeking To Halt Campus Rivalry

Visits Of Students To Campus Of Rival School Before Football Games Decried

NEW WILMINGTON, Oct. 19.—Resumption of the custom of college men visiting the campus of a scheduled rival a night or so before a scheduled game and daubing paint, white-wash, etc., has prompted district colleges worried. The problem is now in the letter-writing stage but if the custom continues, then authorities will take more definite action. They fear that severe damage to property and even injuries to individuals may occur.

Asks For Action
Dr. Weir C. Ketter, of Grove City, has asked Westminster College authorities to put the damper on any such plans. Titan students may have regarding the game between the schools here Nov. 13. He promises to spread the word at Grove City.

Westminster's campus was visited by Allegheny students last Thursday night. They painted the letters "A" over college property with white-wash and burned a large letter in the campus quadrangle with wood shavings and kerosene. They touched the visit off with some sort of bomb which exploded at 4 a. m., awakening sleepers within a two-mile radius.

A group of Westminster students visited the Slippery Rock campus, Sept. 24, but the stunt backfired when they were captured. The Titans were held overnight and had to parade before the game attired in women's apparel.

DEER ATTACKS WOMAN
YORK, Pa., Oct. 19.—(INS)—A deer which turned the tables and became the hunter was held today at nearby Delta for the state game commission.

Police reported that Mrs. Alice Shoff, 37, of Delta, suffered cuts on both legs when the buck—with an eight-point rack—attacked her yesterday.

Workmen, summoned from a nearby tannery by a neighbor, captured the animal and confined it for game officials.

WOMAN BREAKS BOTH ARMS LAST EVENING

Mrs. Ola Pletcher, of 503 Court street, suffered a fracture of the right wrist and left upper arm when she tripped and fell on Court street, near her home, Monday evening.

She was taken to the Jameson Memorial hospital, where she is undergoing treatment.

FIELD MARSHAL DIES

HAMBURG, Oct. 19.—(INS)—British military officials announced today the death of Field Marshal Walter von Brauchitsch, former commander of the German army, in a Hamburg military hospital.

The announcement said that Von Brauchitsch died last night of thrombosis at the age of 67.

An artillery expert, Von Brauchitsch was given command of the western front in the last war for his work in building up east Prussian fortifications.

London subway trains are to have fluorescent lighting.

Increase In Freight Rates Is Denied By Decision Of I.C.C.

(BULLETIN)

WASHINGTON, Oct. 19.—(INS)—The Interstate Commerce commission today denied eastern railroads permission to raise rates on less-than-carload shipments of freight.

The railroads petitioned the ICC for increases ranging from two to 95 per cent on small-quantity shipments of manufactured goods to all points east of the Mississippi and north of the Ohio and Potomac rivers.

The carriers also requested that the increased rates be made applicable to points in West Virginia, northern Virginia, and eastern Canada.

It was estimated that the rates would have resulted in an average overall increase of 10 per cent.

The railroads said that the pro-

posed increases would bring them an additional 25 million dollars annually, of which about 10 million dollars would have been realized by the Pennsylvania Railroad.

MAN HAS HAND BROKEN

Jack DeGenaro, aged 19 years, of 714 Acorn street, suffered a fracture of the bones of the left hand while at work at the Shengango Pottery Monday afternoon.

He was treated at the Jameson Memorial hospital at 3:30 o'clock.

Greek Government Denies Communist Claims In Polk Case

ATHENS, Oct. 19.—(INS)—The Greek government denied today communist assertions that the murder of American correspondent George Polk died before he did.

Minister of Public Order Con-

stantin Rentis said that the communist statement is a "natural line for them to take in the effort to discredit the results of the investigation."

A spokesman for rebel General Markos Vafthiades said that the two men accused of killing Polk were both killed a month before the correspondent died May 8. Adam Mouzenides, accused of firing the fatal shot, was said to have died in guerrilla fighting at Krossia April 5. His alleged accomplice, Evangelos Vasanas, was also said to have died before Polk.

NERO-VORAS EVENT IN GREEK TRADITION

Amid a setting of palms and ferns, St. George Greek Orthodox church was the scene of a pretty traditional Greek wedding on Saturday, October 16, at 10:45 o'clock in the morning, when Miss Ann Nero, daughter of Mr. and Mrs. Patsy Nero, of 317 Phillips street, became the bride of Steve Andre Voras, son of Mrs. Hanna I. Voras, of the Graceland road. Rev. Spyros Pappanicolau officiated.

The bride, given in marriage by her father, wore a princess style gown of white slipper satin with a long train over which fell a long veil fastened by clusters of orange blossoms. Her flowers were white roses centered with an orchid corsage.

As maid of honor Miss Agnes Parillo, of New Jersey, wore an aqua satin gown and carried red roses and bridesmaids, the Misses Laura Mae Shatt, Mary Lou Santello, Betty Jane Smolnik, and Teresa Nero, wore tulle and satin gowns and carried yellow roses.

Jack Voras served his brother as best man. Ushers were Emil Smolnik, Charles Nero, Louis Rainey, and George Reynolds.

Mrs. Veronica Carbone, a niece of the bride, and Alfonso Nero, her brother, dressed as miniature bride and groom, preceded the bridal party.

Soloist was Mrs. Marie Knight, who sang "Because" and "I Love You Truly" accompanied at the organ by Mrs. Robert Lockhart.

At 2 o'clock a wedding breakfast was served in Casa Savoia hall followed by a reception in the evening in King Humbert hall for 300 guests.

The bride and groom left by car on a wedding trip to Mexico City and upon their return will be at home on the Graceland road.

Mrs. Voras, who attended New Castle schools, is employed in the dipping room at the Shenango Pottery. Mr. Voras, who attended New Castle high school, served with the 104th Timberwolf division, and was wounded at Stalberg, Germany, and later attended Princeton University, is employed as a kiln placer at the Shenango Pottery.

**JOY CLASS HAS
OCTOBER MEETING**

Mrs. F. G. Bruner, 134 Boyles avenue, was hostess October 15, when the Joy class of First Baptist church gathered in her home.

Prayer was offered by Mrs. Charles T. Metzler, while Mrs. Paul Fombelle led devotions. A solo was offered by Mrs. Clara Lutz. Mrs. Olive Doud accompanied Janet and Kenny Lutz who pleased with a duet.

Members brought towels which will be presented as a shower to Rev. and Mrs. William Hammond, returned missionaries from Bolivia, South America. The Hammonds are supported by the First Baptist congregation.

Mrs. M. Mallory, Mrs. Lila Fair and Mrs. Bessie Stoner were special guests.

Mrs. Ethel Patterson and Gladys Craig aided Mrs. Bruner in serving. Mrs. Howard Frew, 328 Highland avenue, will entertain at her home Friday evening, November 5.

S.O.S. Unit To Sew

S.O.S. sewing unit of Temple Israel Sisterhood will meet to sew Wednesday afternoon at 1 o'clock in the Temple Israel social rooms. A good turnout of members and guests is anticipated.

WILKISON CLASS GATHERS FOR PARTY

Delightful was the evening party of the Wilkison class of Highland U. P. church, when Mr. and Mrs. William Klee, Boyles avenue, entertained at their home.

Various games, supervised by Mrs. Jay L. Reed, chairman of the social committee, were enjoyed. Later lunch was served buffet style from a tastefully appointed table, decorated with autumn flowers.

Mr. and Mrs. Walker Baletine and Mrs. J. E. Hinish entertained jointly with Mr. and Mrs. Klee.

During the business session, conducted by Mrs. Joseph Hartman, president, tentative plans were made for a joint party of the Flannery, Vogan, Mercer, Smith, Wilkison and Lindner classes on Tuesday evening, November 16, in the church. Members of the Wilkison group also decided to continue their project.

**ST. VITUS CHURCH
SCENE OF WEDDING**

St. Vitus church was the scene of a lovely fall wedding Saturday morning, October 16, at 9 o'clock, when Miss Jennie Call, daughter of Mr. and Mrs. Guy Call, of 722 Oak street, became the bride of Domenick Morgan, son of Mr. and Mrs. Cesare Morgan, of 615 Raymond street. Rev. Fr. Richard Peluse officiated at the double ring ceremony before a large gathering of friends and relatives.

The bride, given in marriage by her father, was attired in a gown of white satin, styled with a chignon yoke bordered with appliques of satin inset with tiny rhinestones, long pointed sleeves, a full skirt also appliqued and a long train. Her full length veil fell from a crown of seed pearls ending in a heart design of orange blossoms. She carried an arm bouquet of white roses and white baby mums, centered with an orchid.

As matron of honor, Mrs. Jennie Russo, sister of the groom, wore a rose satin gown, fashioned off the shoulder with a fitted bodice and a full skirt. She wore a matching bonnet and carried an arm bouquet of pink roses and baby mums.

Bridesmaids, the Misses Marie Pendice, Jo DeMarco, Kathryn Costello and Helen Petrilli, wore pale green gown and bonnets styled the same as the maid of honor's. They carried arm bouquets of yellow baby mums.

Nick Russo, Jr., served the groom as best man and the ushers were James Call, brother of the bride, Pat DeMarco, Albert Padula and Ralph Stickle.

Following the ceremony there was a wedding breakfast served to the wedding party and 40 guests at the home of the groom's parents. There was a reception in the evening at the CIO hall for 400 guests.

The newlyweds then left on a wedding trip, driving to New York and through the New England states. Upon their return they will be at home in their newly furnished apartment at 722 Oak street.

Mrs. Morgan is a graduate of New Castle high school and is employed as an operator at the Bell Telephone Co.

Mr. Morgan is also a graduate of New Castle high school and after serving over 3 years in the U. S. Navy, is employed at the Shenango Pottery.

American Home Watchmen plan to go Thursday evening to Franklin. The group plans to leave here at 6 p. m. by chartered bus.

SARA MCKEE TELLS OF WORK IN EGYPT

Men and women of Second U. P. congregation assembled Monday evening in the church, where a delightful as well as instructive meeting was conducted. A large number attended the gathering, which was sponsored by the Kelsey circle.

Miss Sara McKee, a member of Second church, told of missionary activities and showed pictures of Egypt, where she served a term of three years. While in that country Miss McKee acted as secretary to Dr. Neal McClanahan, who at that time was president of Assiut college. The speaker was introduced by Miss Betty Smith.

A chorus of the barber shop quartet pleased with a group of several musical selections. At the program's close dainty refreshments were served, buffet style, from a tastefully appointed table attractive with halloween decorations.

Mrs. John Bierman, Miss Marjorie Brooks, Miss Blanche Davy and Mrs. William Strobel composed the committee of arrangements.

Section E Meets
At the home of Miss Anna McHard, of Morton street, members of Section E, Y. L. B. class, of Third U. P. church, were entertained on Friday, for an all day meeting.

Sewing was the main diversion. A box lunch was served about noon. Devotionals were led by the hostess.

Next meeting is scheduled for October 29, with Miss Cora Morahan of Croton avenue, as hostess.

**MAHONING CIVIC CLUB
HAS TURNER DINNER**

Members of the Mahoning Valley Civic Club gathered in Mahoning Valley Grange hall recently, and partook of a sumptuous tureen dinner.

In the absence of the president, Mont Alley presided.

The program was in charge of Mrs. Homer Matthews. Mr. Matthews showed pictures taken by him on a trip through the west, during last summer. Mr. and Mrs. Fred Knoll were the committee in charge of arrangements.

MONTHLY TEMPLE SOCIAL PLANNED

Plans for the monthly Temple Israel social event on Saturday evening, Oct. 23, were completed at a meeting Monday evening in the home of Mrs. J. F. Perelman, 101 Hazelcroft avenue.

The party will feature many novel features in keeping with the season of the year.

Committee in charge of arrangements is Mrs. Dan Fisher, chairman; Mrs. G. Stone, co-chairman; Mrs. Harry Freedman, Mrs. A. Slo-

vensky, Mrs. L. Steiner, Mrs. R. S. Rubenstein, Mrs. J. F. Perelman and Mrs. J. E. Ginsberg.

Rev. Rose Tells Of Trip Abroad

Tell Rotarians About
Observations Gained
Through His Recent
Visit

SAYS SUSPICION GRIPS EVERYONE

Rev. J. Calvin Rose, pastor of the Second U. P. church, gave New Castle Rotary club members a few of the observations on conditions in Europe which he gained through his visit abroad this summer when he attended the World Council meeting of churches at Amsterdam, and later visited points of interest in Germany, France and England.

He gained impressions at the council meetings which were critical of the United States, and felt that not enough defense of these points was made by the United States delegates.

Capitalism Held Evil
The one was that capitalism was condemned as something evil, whereas it has been one of the greatest contributors to the American way of life and one of the strong points about democracy which offers man any hope.

Mr. Rose stated that the communist peoples of all European countries are looking to the coming election with great expectancy and that while Henry Wallace is not regarded as a communist, a strong vote for him will be regarded as a communist gain.

The other was that a mistake was made in holding closed sessions to which the press was not invited. He stated that the council was asking Russia, France, England and the United States to come clean and lay their cards on the table in regard to their future plans, yet held sessions when questions were brought up which were not made public.

He stated that men like Martin Niemuller and other religious leaders accepted the guilt of Germany in starting the last war, and felt that the church had not made a strong enough stand against the forces which brought about the war, even though many of them were imprisoned in concentration camps for their opposition.

Germans Afraid
Most Germans are afraid of the future, he stated, which leads them to be suspicious and unwilling to co-operate in restoring conditions to normalcy, even in the American zone.

He cited the feelings expressed by one young man who worked at a hotel recently opened in the American zone. Should there come another war soon and Russia should invade that section, the man was of the opinion that he would be asked what he has been doing for the past few years, and if he said he was working in the American hotel, the Russian would say, "So, you are a collaborator," and the man would be hustled off to a concentration camp.

Germans will not sign their name to anything. They have learned from experience what happened to many under the Nazis, and they are filled with suspicion and distrust.

Rev. Rose said that many of the cities are still in ruins and no attempt has been made to restore them. Many fine historical spots are just a pile of rubble.

The refugee problem is still a great one. He found as many as 14 people living in one room, with just a thin burlap curtain separating them.

He was told that Germany hates the U. S. only a little less than it hates Russia. The average German feels that the only way he can come out on top is to be on the side which is going to win the next war.

In conclusion, he stated that he felt the only hope for the future of our country is to educate people in the moral law and to teach them to respect the rights of other individuals. They must be taught to know what the Ten Commandments mean.

AUTHORITIES LEASE

Council has authorized Property Director Joseph D. Alexander to make a lease for one year with the Haron Inc., represented by C. W. Nolan, for occupancy of a building at Deshon village where metal chairs are being manufactured. The annual rental will be \$1,140.

1 1/2 Billion Dollar Road Block!

RAILROADS MUST OPERATE around the clock every day and night of the year.

Although they know this, leaders of 16 railroad unions are demanding a five-day, Monday through Friday, week for one million railroad employees.

They want 48 hours pay for 40 hours work—in itself a 20% wage increase.

They also demand a minimum of 12 hours pay for any work performed on Saturdays, and 16 hours pay for any work performed on Sundays and holidays.

On top of all this they want an additional increase of 25¢ an hour for every employee!

You'd Pay the Bill!

Summing up these demands, they mean that these union leaders seek to force the railroads to give one million employees an annual raise which would average \$1500 per employee!

The total cost of this would be no less than 1 1/2 billion dollars per year, which is more than twice the expected net income of the railroads this year.

You'd pay the bill, because if these increased

costs are forced on the railroads, they must have still further rate and fare increases.

Demands Unreasonable

These employees have had substantial raises during and since the war. Their average weekly earnings are higher than the average weekly earnings of workers in manufacturing industries. They have more job security than the average worker in American industry. They also enjoy paid vacations, a retirement system and other advantages more generous than the average worker receives.

In contrast with the demands of these 16 unions, which add up to the equivalent of 48¢ an hour, the Conductors and Trainmen recently settled their wage request for an increase of 10¢ an hour.

Railroads Run for Everybody—Not Employees Alone

The railroad industry must serve not one but many groups—producers, businessmen, shippers, passengers and the general public—night and day, every day of the year. These unions are proceeding in utter disregard of this important difference between railroads and other industries. Industrial plants can be shut down over weekends and holidays, but freight, mail, express and passengers must continue to move. Everybody who enters railroad employment knows this.

Strike Threat

On September 18, 1948, the leaders of these 16 unions began taking a strike vote. But the threat of a strike will not alter the opposition of the railroads to such unreasonable demands!

Around Hollywood

By RUTH BRIGMAN
(International News Service Staff Correspondent)

HOLLYWOOD, Oct. 19.—(INS)—Ava Gardner's screen career and her family's tobacco crop back in North Carolina are concurrently booming.

The sensational MGM actress, whose only fame once was due to the fact she'd been married to Mickey Rooney and Artie Shaw, went into her best role this week in "The Great Sinner".

That follows closely on the heels of her "One Touch of Venus". And back home three big tobacco companies have been bidding on the family's crop. The winner wired an offer to supply her (for free) with cigarettes for two years.

But Ava doesn't smoke.

DELAYED HONEYMOON
Now we know why Dorothy McGuire didn't hasten home when her studio (Seiznick) paged her. She's going to have a baby. Dorothy has been married to John Swope since 1943, but they've been taking a delayed honeymoon in Europe the past five months. They visited France, Switzerland, Italy and Greece.

FEUDS ARE FUN
Hollywood loves a feud. So the one between Judy Garland and Ginger Rogers is causing plenty of excitement. It's the first big star feud since Joan and Livvy (Fontaine and DeLavilland). Seems Judy was ordered off the set of "The Barkleys of Broadway" where Ginger is emoting in the role originally cast with Judy. She was asked to leave at the request of Ginger—who is temperamental. She couldn't work with another actress watching.

GROWING PAINS
The Jack Carson family is hav-

through and weakened the beams. Now, Kelly says, his guests will be working on the new ceiling instead of volley ball.

Seven Local Men Enlist In Navy

Chief Machinists Mate S. E. Bond, of the local Navy recruiting station announced that seven more local men have enlisted in the Navy under this month's unlimited enlistment allowance for the area.

William H. Stewart, 1809 Highland avenue, Norman Rodgers, 4 W. Euclid avenue, Clinton Badger, 509 Sumner avenue, Ross Aubel, 109 N. Lee avenue, Sylvester Perinotto, 203 S. First street, Donald Leeper, Box 112 Edenburg and Homer Phenicle, Box 41, Edenburg are the enlistees. They have been transferred to Great Lakes Naval Training for a 12-week recruit training period.

HAVERL AT NORFOLK FOR NAVY TRAINING

George H. Haverl, third class engineman, USN, son of Mr. and Mrs. Fred Haverl, R. D. No. 2, Ellwood City, is now attending the Refrigeration and Air-conditioning School at the Naval Training Station, Norfolk, Va.

After completing a six weeks course consisting of both theory

and practice, Haverl will be reassigned by the Bureau of Naval Personnel.

PAY MONTGOMERY COMPANY
Council has authorized payment of \$33,300 to the Montgomery Construction company on the general contract for the new city building. With this payment, the city will have paid the general contractor \$65,196.90, of a total general contract cost of \$222,000.

THIRD CHURCH TO HAVE RECEPTION

New members, received into the membership of Third U. P. congregation in the past year, will be honored at a reception in the church Wednesday evening, October 20, at 7:45 o'clock. This year's function is sponsored by the board of deacons under the leadership of Mrs. Howard Burdette, president.

Miss Mabel Kocher, program chairman for the evening, has arranged for novelty musical selections to be offered by visiting singers. "A Crazy Wedding and A Cuckoo Court," a two-act comedy, directed by Miss Helen Keder, will also be presented. The cast includes members of the J. O. Y. and P. A. L. classes of the Bible school. Refreshments will also be served.

It is anticipated that many of the congregation who were members prior to a year ago will be present to welcome those who have joined in the past year.

Beta Sigma Phi To Meet

Beta Sigma Phi will meet in the home of Mrs. H. L. Domke, 840 Alameda avenue, on Wednesday evening.

BAMBERGER-FRENGEL WEDDING, OCTOBER 23

Miss Anna Marie Bamberger, daughter of Mr. and Mrs. Joseph Bamberger of 4103 North Fairhill avenue, Philadelphia, Pa., will become the bride of James Frengel, son of Mr. and Mrs. Ralph Frengel, 207 West Madison avenue, on Saturday, Oct. 23, in St. Lucy's church at nine a. m.

Rev. Fr. Sebastian Ippolito will officiate at the open church nuptial mass and will use the double ring service.

In the evening the wedding reception will be at 7:30 o'clock in the Columbus hall.

Miss Mary Jane Frengel will be the maid of honor, and bridesmaids are: Pat Fiacco, Olivia Palumbo and Phyllis Russo.

Tony Farone will serve the bride-groom as best man. Ushers will be William Mariani, Ralph Paterino and Louis Martino.

E. N. C. Club To Dine

Veeck Would Sell, If Price Is Right

CLEVELAND, Oct. 19.—(INS)—President Bill Veeck of the Cleveland Indians admitted today that his stock in the world baseball champions is for sale—if the right price is offered.

The Tribe proxy declared that "like any one else, I'd sell my stock if I had a chance to get the money I'd want for it."

Veeck emphasized that he has received no "fabulous offer" for his share of the Indians, nor does he expect any from Hank Greenberg, the Tribe vice president who is mentioned most frequently in sales rumors.

He said he didn't think Greenberg "would be interested in buying the Indians. I'm pretty sure he has other ideas."

"He wants to own a major league club some day, but with him, location is all-important. For personal reasons, I think he has two or three other spots in the country in mind."

Veeck, who owns approximately 20 per cent of the Indians' stock, denied all stories connecting him with the purchase of another club. He said he is greatly concerned with youth improvement, however.

"If I do sell my stock—within the next three weeks or the next 30 years," he said, "that's the work I'll probably go into."

Veeck pointed out that while "I'm crazy about Cleveland and the fans here, if I did have an opportunity to sell at my figure, I wouldn't have to concern myself about pulling up family roots."

"I have none."

MEXICAN JUMPERS WIN
HARRISBURG, Oct. 19.—(INS)—The Mexican army's jumping team captured the international military team preliminary last night at the Harrisburg horse show before more than 10,000 spectators.

The army team was second while third place was split between two French riders and a Mexican horseman.

Yankees Sign Up Crosetti As Coach

NEW YORK, Oct. 19.—(INS)—The New York Yankees finally had an American leaguer on their 1949 brain trust today with the signing of the veteran Frank Crosetti as a coach.

Crosetti, recently named as a coach by Casey Stengel, the team's new manager, will be appointed soon, will not be Long George Kelly, who recently quit the Cincinnati Reds and was reported headed for the Yankees.

Crosetti, who is 38 and joined the Yankees in 1932, has been either a substitute player or a coach for the team during the past two seasons.

Giants Seeking Backfield Star

NEW YORK, Oct. 19.—(INS)—The New York Giants of the National Football league were making desperate efforts today to obtain a speedy backfield runner.

The Giants, now that Chuck Conerly has blossomed out as an ace passer, have placed Paul Gorenall on the market. The high-salaried Gorenall, who compiled the third best passing record in the league only two years ago, has been of little use to the Giants.

The New York club made an effort yesterday to land Bruce Smith, former All-American back at Minnesota who was released by the Green Bay Packers last week. Smith, however, decided to quit pro football to run a sporting goods store in Northfield, Minn.

CITY LEAGUE TO DINE WEDNESDAY

Championship Universal Team To Be Honored; Four Good Speakers Listed

First annual banquet of the City Baseball league will be held at 6:30 p. m. Wednesday in the Cathedral dining room, according to league president Len Gilbert. The baseball players of the league will be guests.

The toastmaster will be Denny Schill of Ellwood City, and the speakers will be Pie Traynor, former Pirate third baseman and manager; Bob Cheesne, hurler for the Pirates; Cal Hubbard, former grid star and American league umpire, and Chet Smith, sports editor of the Pittsburgh Press.

The banquet is in honor of the Universals who won the championship of the loop. Trophies will be awarded to the titular Universals and the second place Lawrence Independents.

Penn State, Army Arrange Two Games

STATE COLLEGE, Pa., Oct. 19.—(INS)—Army and Penn State today looked forward to a two-game football series to be played in 1949 and 1950 at West Point.

The 1949 contest will be played Oct. 1, and the 1950 game will be Oct. 7.

The two teams have met three times previously. In 1899 Penn State beat the Cadets 6-0. In 1900 they played to a scoreless tie. And in 1939 the clash ended 14-14.

Ellwood 'Bolts' Clip Catholic Vets 45 To 0

Dutch Wiltrout Scores 20 Points For Undefeated, Unscored On Bolt Busters

(Special To The News)
ELLWOOD CITY, Oct. 19.—Ellwood City "Bolt Busters" overwhelmed the Catholic Vets of Pittsburgh, 45 to 0, last night at Lincoln High field. More than 2,500 fans shivered in the stands as the red-hot Bolts notched their fourth straight win and successfully protected their unscathed goal line.

Dutch Wiltrout, the Bolts fullback, scored three touchdowns and kicked two extra points to lead Ellwood's scoring parade.

Score Quickly
Ellwood scored three touchdowns the first three times they had the ball and from then on it was just a question of how big the score would be. Coach Bill Young's men could apparently do nothing wrong as they completed 10 of 16 passes and ate up large chunks of yardage on the ground.

Wiltrout bucked over from the 1 after a 73-yard march for the first score. The big fullback circled left and for 28 yards the next time Ellwood had the ball for another score. A jump pass, Tilla to Presto, covered 44 yards and completed the first quarter scoring.

Tilla recovered a Catholic fumble on their 38 and O'Brien eluded the resulting drive with a 1-yard plunge in the second quarter.

Wiltrout Again
Wiltrout again scored in the third period as he gathered in a Tilla pass and ran the remaining distance in a play that covered 61 yards. Tilla lateraled to McClintock 15 yards behind the line who passed to the waiting arms of Presto for another T.D.

In the fourth period a Desport to Sulla pass was good for 43 yards and the last score of the game.

Cokers Next
Ellwood travels to Clairton next Tuesday night for a game with the Clairton Cokers and on November 1 they will be host to the Millvale A.A. for Community Chest benefit game at Lincoln field.

New Castle JV's Top Farrell 13-7

Ray Latsko Scores Twice For 'Little Cakes' Against Farrell

Despite a cold chilling wind, and rather muddy playing field, Ray Latsko tallied two TD's as the New Castle High Junior Varsity eleven tripped Farrell Jayvees at the stadium Monday, 13 to 7.

Latsko scored from the 1-foot line and the 3-yard stripe.

It was the second brilliant victory for the Coach George Binder charges, using tricky formations and with a staunch line. Binder, a former New Castle High and Grove City College football star has the local Jayvees hustling.

Next Monday New Castle's JV's will play at Ellwood City. The game will start at 3:30 o'clock.

Wabash Bears Working Hard

The Wabash Bears football team will have a workout every night this week at the P. & L. E. field at 5 o'clock. Any player not showing up for practice will be dropped from the squad. It was announced by William Domenick, head of the Bears organization.

The Bears have several important games coming up, Domenick said, including the Clairton Bears and Ellwood Vets, among others.

Cubs And Pirates Talking Trade?

CHICAGO, Oct. 19.—(INS)—James Gallagher, general manager of the Chicago Cubs was doing his best to keep calm today amidst scores of phone calls and visitors trying to check the latest rumors of player swaps and deals.

Latest rumors—which didn't help in the least to free the National League ball club's phones—is that there's something cooking between the Cubs and the Brooklyn Dodgers.

Another rumor that kept news-men ringing the Cubs' office was that somewhere on an east wind was a deal with Pittsburgh. Gallagher refused to comment.

Father Gallick Taken By Death

LATROBE, Pa., Oct. 19.—(INS)—Funeral services will be held Thursday at Latrobe for the Rev. Cuthbert Joseph Gallick, 68, who turned down a contract with the Chicago White Sox in 1902 to enter the Benedictine Order at St. Vincent college, Latrobe.

Father Gallick died Monday at Whitney, Pa., where he had served as pastor since 1935. He was a teammate of Otto Knabe and Honus Lobart, who later starred with the Philadelphia Nationals, during his playing days.

McQUILLAR FACES BAN IN ILLINOIS

CHICAGO, Oct. 19.—(INS)—Bobby McQuillar, Port Huron, Mich., lightweight, faces a possible lifetime ban from Illinois rings.

Dr. John J. Drummie, Illinois State Athletic Commission physician, said McQuillar had a heart condition which probably will bar him from any Illinois fights.

The 25-year-old Negro was refused permission after a cardiogram test to go through with his scheduled 10-rounder against Doll Rafferty of Milwaukee in Chicago's Marigold Garden Monday.

The highest scoring football game in which a Juniata college team engaged was in 1939 when the Indians walloped New York Aggies 66-0.

Juniata college's longest football series with any one team was with Drexel. In 18 games Juniata won five, lost 11 and tied two.

Coach Bob Higgins, of Penn State, considers Scatback Ellwood Petchel "one of the best all-around backs in America."

Gonet Resigns As K. Pulaski Coach

Veteran Coach Has Excellent Record With K. Pulaskis, Over Four-Year Span

The popular Al Gonet, veteran coach of the K. Pulaski basketball team, city-county champions, two straight years, and champions in five different tournaments, has tendered his resignation as coach for the 1948-49 Pulaski team.

The resignation of the young mentor came without reason after turning in the brilliant record of 119 wins and 24 losses from 1944 to 1948. His quitting leaves a big vacancy in the K. Pulaski basketball world. He will be genuinely missed this year.

Has Other Offers
Gonet in a statement to The News said that he may consider another basketball coaching job this coming winter, but so far has not made any definite commitments. He has several good offers pending.

The Pulaskis have not only had a great four-year record under Gonet in basketball victories, but in financial matters as well.

Big Run Juniors Football Champs

By trimming Mahoning 13 to 0, Big Run capped city touch football honors in the Junior league Saturday afternoon at Big Run field.

Mahoning's Mallock completed several long passes but Big Run's defense tightened up in the clutch. Big Run scored on two pass plays. Walt Dixon passed to Lehberger for the first score and a Roth to S. Perkins aerial was good for six points in the last quarter.

Tornadoes converted. The following players on the Big Run team were awarded the Recreation Board touch football emblems for their 1948 championship: Lehberger, Tarnoise, W. Dixon, C. James, W. Roth, Beatrice, R. Dixon, Schasberger, J. James, Fabian, Perkins and Joseph.

Title Game Saturday
In the Midlet league, Washington and Big Run emerged as the participants in next Saturday morning's championship game at Washington field.

Big Run won the right to play by defeating Mahoning 19 to 13 Saturday morning. Benigan, Thomas, Eggleston, Detrich, and George were outstanding for the victors and Pecaro, Mangino and Devidio were best for Mahoning.

In an afternoon game, Washington defeated Farrell Middlets 12 to 6 to earn a playoff berth. Mathews passed to Burkholder for Washington's score. Jannione tied the score by recovering a Washington fumble in the end zone. Crawford then intercepted a Farrell pass and returned it for the winning touchdown.

Earlier Farrell had defeated Laurel 12 to 0 on the Laurel field. Dave Patton ran 95 yards for Farrell's first score and James Gray scored the second on a pass outstanding for Laurel.

Coach Harry L. Lawrence, who directs Bucknell university's football team, today endorsed the plea by Penn State's Coach Bob Higgins that Pennsylvania athletes remain in the Keystone state to play collegiate football.

ANNVILLE, Pa.—Andy Kerr and his flying Dutchmen from Lebanon Valley College are holding strenuous daily workouts at Annapolis in preparation for the season's opener.

Dempsey's Protege Is Victim Of TKO

CINCINNATI, O., Oct. 19.—(INS)—Jack Dempsey's protege Joe Wieden today was mowing over losing a fight he apparently was winning points until the referee decided his split eye couldn't take any more punishment.

Wieden's opponent, heavyweight Walter Hafer of Marysville, Ky., was awarded the fight on a technical knockout in the next-to-the-last ninth round.

The Austrian boxer lost the battle although he knocked down Hafer twice in the second round.

Coach Harry L. Lawrence, who directs Bucknell university's football team, today endorsed the plea by Penn State's Coach Bob Higgins that Pennsylvania athletes remain in the Keystone state to play collegiate football.

SHENANGO MOVES INTO THIRD SPOT

Bessemer's Undefeated Contenders Play Mercer Friday, Mars Battles Evans City

By virtue of their 32-0 victory over Zellenople last Thursday on their home field, Bessemer moved into first place in the Tri-County Conference race.

Shenango's Wildcats moved into a contending position as a result of their 21-0 victory over Union. In a third Tri-County game, Mercer broke into the victory column for the first time with a 13-0 win over the Big Red of Evans City.

Tri-County games scheduled for this week include Bessemer at Mercer and Mars at Evans City. Both of these games are Tri-County night engagements. Zellenople is idle while Union and Shenango meet non-conference foes.

The standing:

| | W | L | T |
|------------|---|---|---|
| Bessemer | 3 | 0 | 0 |
| Mars | 1 | 0 | 0 |
| Shenango | 2 | 1 | 1 |
| Zellenople | 2 | 1 | 2 |
| Mercer | 1 | 2 | 1 |
| Evans City | 1 | 2 | 1 |
| Union | 0 | 3 | 1 |

Madison Square Garden announced today that its 1948-49 basketball schedule comprises 82 games—25 doubleheaders and two "singletons"—involving every conference champion in the nation except Columbia.

The starting Irish backfield is expected to have Frank Tripucka (the new Lulack?) at quarterback, Pansili at full and City McGree and Emil Shiko at the halves.

WINTER'S COMING
It's no fun to push and shove a balky car on a cold day. Now is the time to have your car prepared for cold weather driving. Let our experts lubricate it properly... change oil to winter grade... flush out the radiator, put on new hose and fill it with Anti-Freeze! Tune-up the motor, check the fan belt, generator, battery and spark plugs.

Co-Op Raises Bid In Land Purchase

City And Schools Bid Up To
Total Of Delinquent
Taxes, Sale Up For
Approval

OTHER EVENTS

IN COURT HOUSE

Subject to the approval of the Lawrence county court, the Lawrence County Farm Bureau Co-operative Association purchased six acres of land in the seventh ward Monday.

The co-op originally bid \$3000 for the land. The city and school district raised the bid to \$3100, stating the land was needed for recreational purposes. Monday morning the bidding opened and the city and school finally raised their bid to the limit of the taxes owed, \$3044.04. The co-op then raised it to \$3090 and no other bids were received.

Speaking for the county, Commissioner President Harvey E. Bush said: "We could only follow the law in the case. The property was bid in by the Co-operative and we then had to accept competitive bidding. If the city wants a recreational plot in the seventh ward there is a large plot west of Montgomery avenue which could be used."

It is said the co-op intends to build upon the property if and when the court approves the sale.

Committee Reviews Results Of Employ Handicapped Week

Results of National Employ the Physically Handicapped week, October 3-9, were discussed at meeting of the executive committee in the offices of the state employment service. The total number of placements this year did not equal that of last year, but the educational value of the week exceeded any previous effort.

Chairman Wesley Davy presided at the meeting which lauded local employers for exceptionally good cooperation. Throughout the week special attention had been called to the needs of handicapped veterans and the committee was justifiably proud when specific cases

of placement of these veterans were attributed to their efforts. The committee voted to hold meetings every four to six weeks to stimulate year around interest in the employment of handicapped persons.

The word "bachelor" in Bachelor of Arts derives from the ancient term "bachelor" denoting a soldier not rich enough to lead retainers into battle under his own banner—hence it means an "inferior" degree.
